Mat Board Full-Vue Wall Display – Swinging Steel Wall Panels
Full Vue Multi Panels are designed with swinging panels that open a wide 170 degrees, yet fold flat against the wall for maximum wall space efficiency. The wall display panels are built in sturdy steel with light gray or beige frames that are viewable on 2 sides.

Each of the panels holds a white mat board to display a variety of materials including, posters, photos, artwork, safety guidelines and other information.

Showcase Countless Items
Presentations, photos, artwork, awards, blueprints, safety guidelines, graphics and so much more. Nothing works better than our Matboard Swinging Panel Wall Display. These space-saving displays let you feature a large amount of materials just about anywhere! And sturdy steel construction provides years of use.

Wall Space Requirements for the Full Vue Wall Units
Multi Panel Display require a width of 41", plus 2/3 width of the panel at each end. Choose from two display panel sizes: 24" x 36" or 30" x 40" and 40" x 48". This swinging wall display is available in 10 panel units only.

White Mat Board with Protective Multiglas Included
Display lightweight materials on the white mat board divider. Easily attach your material to the matboard with double sided tape or spray adhesive.

Both panel sides are covered with clear Multiglas covers to prevent damage to your materials from either dust or handling, keeping your display looking its best.

IMPORTANT WALL LOAD INFORMATION:
Wall units with swinging panels should only be used on walls that will support the weight of all the wall panels and materials to be displayed.
