

School Board Report Tomahawk Elementary 4/9/19

Upcoming Events

April 12 – Award Winning Author Alane Adams will be visiting Tomahawk School District. There will be one presentation for Grades K-3 focusing on her picture books and one presentation for Grades 4-7 focusing on her Orkney Series. Ms. Adams' goal is to inspire kids to read. Thanks to Brian Perrodin for setting this up.

April 17 - 7 p.m. Harlem Wizards Performance – Hosted by Kinship

April – Forward Testing is happening for much of the month of April for grades 3-5. Testing letter is attached that went home for students Forward testing.

Discipline Incidents for March

March was a good month for TES, we had 56 discipline incidents compared to 82 for March of the 2018-2019 school year.

April PBIS

We will be focusing on the playground this month. Teachers will be going over playground expectations and during this month we will also be teaching the students some different games that can be played for outside recess. We realized that some of our students really don't know some of the traditional playground games such as 4 Square, jump rope games, etc. The incentive for the month will focus on returning of equipment to the building that is taken outside.

Summer School 2019

Summer School planning has begun. We have started to gather interested staff in teaching summer school and their proposals. We are coordinating with Marian and her swim lessons so that summer school and swim lessons coordinate with each other. Swim Lesson registration will open April 13 and Summer School registration will open April 17.

Parent Teacher Conferences 2019

At the last board meeting there was a question about Early childhood showing 10 students in the class but showing 18 students absent. The reason for this is Kristine Walters services 10 – three year olds in the morning and then has an additional 11 – 4K students in her program in the afternoon so the 18 students absent for Parent Teacher Conferences is out of 21 total students served by her.
