QISD Board Report for Reagan Elementary, Month of May 2017

- **STAAR testing went well**
We have completed our second round of STAAR testing (3rd/4th grade Reading/Math and 5th grade re-test for Reading and Math, as well as 5th grade Science). ** 5th graders are under SSI (Student Success Initiative), which means they must Meet Standard on both the Reading and Math STAAR tests to be promoted to 6th grade. We should receive results from this round of STAAR testing in early June, and we will communicate these results to parents. Students who do not Meet Standard will attend summer school and take the test for a third time in June (June 19-20).
- **Pre-K/Kindergarten Round-Up**
We held our Round-Up on Tuesday, April 25, and we had approximately 13 students pre-register for PK at Reagan.
** Registration will be on Monday, August 7 OR August 8. ALL parents are required to attend registration.
- **Supporting our "Big Kids"**
We held a send-off at Reagan on Thursday, May 11 for the State track qualifiers, on Friday, May 12 for the Girls Golf qualifiers and will also hold a send-off for the Golf Boys qualifiers. We love to support and cheer on our QHS Indians! PUHA!
- **Attendance**
We are in contact with Guy Smith, truancy officer, who assists in holding parents and students accountable for attendance at school. We will be holding attendance committee meetings in the next few weeks to address students who have excessive absences and create a plan to ensure attendance at school.
