2B. Action Date: November 28, 2005

SUBJECT: <u>BUDGET AMENDMENTS</u>

BOARD GOAL: All systems in the Keller Independent School District will be

effective, efficient and accountable in support of the district's

mission.

FISCAL NOTE: Budgeted in General Fund, Food Service Fund and

Technology Fund

Background Information:

• TEA requirement to have the budget reflect the financial activities of the district.

Administrative Considerations:

- The budget amendments reflect corrections in coding.
- The majority of the amendments are due to the fact that many of the administrators responsible for these budgets were not hired or whose responsibilities changed after the budget was submitted.
- These budgets were submitted for the amount deemed necessary for the department at the time, but were not placed in the proper function for this expenditure.
- Also included is a summary and detail of 2004-2005 outstanding purchase orders.
 These purchase orders were not received as of the end of the 2004-2005 fiscal year.
 The funds for these purchase orders come from the 2004-2005 budget. This
 amendment will direct funds from the 2004-2005 school year to complete these
 purchase orders.

The administration recommends that the Board of Trustees approve the budget amendments as presented.

Respectfully submitted,

Kent V. Morrison, III Chief Financial Officer
