Happy June

It seems hard to believe that another school year has come and gone in all of our lives!

This completes my first year as the Applegate Principal, and I am amazed at how quickly this time has gone by! I am grateful that I have landed myself in such an amazing school community, and look forward, with much anticipation, to the years that are to come.

This year has been filled with a lot of change as we transition to new learning standards and goals. With change come challenges and successes, through all of it, the Applegate staff has kept focused on the purpose: your children. I am thankful that I work with such a talented, dedicated, and enthusiastic group of educators who ALWAYS has the best interest of "our kids" as their top priority. Reflecting on the school year, we have so much to celebrate and be thankful for.

As the school year ends, you begin your summers, and enjoy time with your families, remember how powerful it can be when you take time to reflect on what life has offered. I know that there are many successes and triumphs that our students and staff have to reflect upon and celebrate. Congratulations and thank you all for another successful school year!

Have a great summer everyone!

STUDENT BOOK REVIEW—Gabe Vidlah

How to Train Your Dragon by Cressida Cowell

Hiccup the Viking finds a dragon that doesn't have any teeth. He tries to train his dragon in many ways. Dragons love jokes so he will do anything to hear a joke. My favorite part was when his dragon tries to eat his cat! This is an action adventure book full of surprises!

BEST WISHES TO YOU ALL FOR A WONDERFUL SUMMER!
