Salute to D33 Birth to Three Staff
Submitted by: Superintendent Kristina Davis

We're thrilled to announce that our District 33 Birth to Three Program has once again achieved the prestigious Baby TALK Quality Confirmation designation! This remarkable achievement highlights our team's dedication to providing exceptional early childhood services to our community's youngest members and their families.

Building on its previous success in 2019, the Birth to Three program underwent a comprehensive quality review process in late 2024. Through rigorous evaluation, including staff interviews, data analysis, and service delivery assessment, the Birth to Three Program demonstrated a continued commitment to excellence.

The Baby TALK model, which the Birth to Three staff proudly implements, is a proven approach that empowers our dedicated professionals to foster school readiness and child development. This framework creates meaningful opportunities for infants, toddlers, and their caregivers to thrive together.
