## GENERAL SCHOOL INFORMATION

### **Students with Food Allergies**

State law requires our school district to annually inform parents of students with life-threatening allergies or life-threatening chronic illnesses of the applicable provisions of Section 504 of the Rehabilitation Act of 1973 and other applicable federal statutes, state statutes, federal regulations and state rules.

If your student has a life-threatening allergy or life-threatening chronic illness, please notify the building principal at (217) 562-6544.

Federal law protects students from discrimination due to a disability that substantially limits a major life activity. If your student has a qualifying disability, an individualized Section 504 Plan will be developed and implemented to provide the needed supports so that your student can access his or her education as effectively as students without disabilities.

Not all students with life-threatening allergies and life-threatening chronic illnesses may be eligible under Section 504. Our school district also may be able to appropriately meet a student's needs through other means.

*Board Policy 7:825*

### **Care of Students with Diabetes**

If your child has diabetes and requires assistance with managing this condition while at school and school functions, a Diabetes Care Plan must be submitted to the building principal. Parents/guardians are responsible for and must:

- Inform the school in a timely manner of any change which needs to be made to the Diabetes Care Plan on file with the school for their child.
- Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
- Sign the Diabetes Care Plan.
- Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan.

For further information, please contact the building principal.

## **Awareness and Prevention of Child Sexual Abuse, Grooming Behaviors, and Boundary Violations**

Child sexual abuse, grooming behaviors, and boundary violations harm students, their parent/guardian, the District's environment, its school communities, and the community at large, while diminishing a student's ability to learn.

Prohibited grooming is defined as (i) any act, including but not limited to, any verbal, nonverbal, written, or electronic communication or physical activity, (ii) by an employee with direct contact with a student, (iii) that is directed toward or with a student to establish a romantic or sexual relationship with the student. ## **ATTENDANCE & PROMOTION**

### **EXCUSED ABSENCE or EXCUSED TARDY**

- Absences reported to the attendance office by a parent for valid cause as defined in the Illinois State School Code: "illness, observance of a religious holiday **or event**, death in the immediate family, family emergency, **situations beyond the control of the student as determined by the school board**, mental health or such other circumstances which cause reasonable concern to the parent for the safety or health of the student, **attending a military honors funeral to sound TAPS, attend a civic event, or other reasons as approved by the building principal.**" In order to ensure the health and safety of our students, the counselor may meet with a student who is absent from school for a mental health day. Court appearances and medical/dental appointments will be excused only if cleared through the office and verified with the proper paperwork.
- A student will be excused for up to 5 days in cases where the student's parent/guardian is an active duty member of the uniformed services and has been called to duty for, is on leave from, or has immediately returned from deployment to a combat zone or combat-support postings. The Board of Education, in its discretion, may excuse a student for additional days relative to such leave or deployment. A student and the student's parent/guardian are responsible for obtaining assignments from the student's teachers prior to any excused absences and for ensuring that such assignments are completed by the student prior to his or her return to school.
- Students who are excused from school will be given a reasonable timeframe to make up missed homework and classwork assignments.

### **Release Time for Religious Instruction/Observance**

A student will be released from school, as an excused absence, to observe a religious holiday or for religious instruction. The student's parent/guardian must give written notice to the building principal at least 5 calendar days before the student's anticipated absence(s).

Students excused for religious reasons will be given an opportunity to make up all missed work, including homework and tests, for equivalent academic credit.

## Make-Up Work

If a student's absence is excused or if a student is suspended from school, he/she will be permitted to make up all missed work, including homework and tests, for equivalent academic credit. Students who are unexcused from school will not be allowed to make up missed work.

## ACADEMICS

### Report Cards

- Report cards will be mailed home a week after the end of the nine week grading periods. Should a student find any error or have any question about their grades, he or she should report it to the office or double check the grade with his or her instructor. Every attempt will be made to resolve any error and make appropriate corrections if necessary. Letter grades (A, B, C, D, F) and their corresponding cumulative percentage are used in classes which meet on a daily basis for at least one semester. An "S" (satisfactory), "NI" (needs improvement), "I" (improved), or "U" (unsatisfactory) grade can be used in certain academic situations. A "P" (pass) or "F" (fail) can be used for Elective classes.

## Exemption from PE

In order to be excused from participation in physical education, a student must present an appropriate excuse from his or her parent/guardian or from a person licensed under the *Medical Practice Act*. The excuse may be based on medical or religious prohibitions. An excuse because of medical reasons must include a signed statement from a person licensed under the *Medical Practice Act* that corroborates the medical reason for the request. An excuse based on religious reasons must include a signed statement from a member of the clergy that corroborates the religious reason for the request. Upon written notice from a student's parent/guardian, a student will be excused from engaging in the physical activity components of physical education during a period of religious fasting.

A student in grades 7-8 may submit a written request to the building principal requesting to be excused from physical education courses because of the student's ongoing participation in an interscholastic or extracurricular athletic program. The building principal will evaluate requests on a case-by-case basis.

A student who is eligible for special education may be excused from physical education courses in either of the following situations:

- He or she (a) is in grades 3-12, (b) his or her IEP requires that special education support and services be provided during physical education time, and (c) the parent/guardian agrees or the IEP team makes the determination; or
- He or she (a) has an IEP, (b) is participating in an adaptive athletic program outside of the school setting, and (c) the parent/guardian documents the student's participation as required by the Superintendent or designee.

A student requiring adapted physical education will receive that service in accordance with the student's *Individualized Education Program*.

Special activities in physical education will be provided for a student whose physical or emotional condition, as determined by a person licensed under the *Medical Practices Act*, prevents his or her participation in the physical education course.

State law prohibits the School District from honoring parental excuses based upon a student's participation in athletic training, activities, or competitions conducted outside the auspices of the School District.

Students who have been excused from physical education shall return to the course as soon as practical. The following considerations will be used to determine when a student shall return to a physical education course:

- The time of year when the student's participation ceases; and

- The student's class schedule.

## STUDENT FEES AND MEAL COSTS

### **Fees, Fines & Charges**

The school establishes fees and charges to fund certain school activities. Students will not be denied the opportunity to participate in curricular and extracurricular programs of the school district due to the inability of their parent or guardian to pay fees or certain charges. Students whose parent or guardian is unable to afford student fees may receive a fee waiver. A fee waiver applies to all fees related to school, instruction, and extracurricular activities.

### **Waiver of Student Fees**

Applications for fee waivers may be obtained from the school office and may be submitted by a parent or guardian of a student who has been assessed a fee. As student is eligible for a fee waiver if at least one of the following prerequisites is met:

1. The student currently lives in a household that meets the same income guidelines, with the same limits based on household size, that are used for the federal free meals programs;
2. The student's parent is a veteran or active-duty military personnel with income at or below 200% of the federal poverty line;
3. The student is homeless, as defined by the Mc-Kinney-Vento Homeless Assistance Act.

The building principal will give additional consideration where one or more of the following factors are present.

- An illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Unemployment;
- Emergency situations; or
- When one or more of the parents/guardians are involved in a work stoppage.

The building principal will notify the parent/guardian promptly as to whether the fee waiver request has been granted or denied. Questions regarding the fee waiver application process or an appeal of the District's decision to deny a fee waiver should be addressed to the Building Principal. Pursuant to the Hunger-Free Students' Bill of Rights Act, the school is required to provide a federally reimbursable meal or snack to a student who requests one, regardless of whether the student has the ability to pay for the meal or snack or owes money for earlier meals or snacks. Students may not be provided with an alternative meal or snack and the school is prohibited from publicly identifying or stigmatizing a student who cannot pay for or owes money for a meal or snack.

Fines for loss or damage to school property are waived for students who meet certain eligibility guidelines.

### **School Lunch Program**

The Pana School District has qualified for CEP (Community Eligibility Provision) which means Breakfast and Lunch will be free for all students in the district. Extra Milk will be .50. Adult Prices will be \$4.50.

Breakfast is served every day from 7:40 am to 7:55 am.

Each student will have a 30 minute lunch period. There are three (3) lunch periods – one for each grade level. Lunch must be eaten in the cafeteria.

There are three options for lunch:

1. sack lunch from home
2. school lunch ~~(\$3.00)~~
3. a la carte items (sandwiches, chips, snack items, ice cream, etc.)

The lunch program is on an automated system. Our recommendation is that lunch money be put into an account at least a week in advance. The student's account is reduced by the cost of the lunch each day. Students on the free/reduced lunch program will need to maintain funds in their account if they expect to purchase additional items. No charges will be allowed to anyone with a -\$10.00 balance. Parents can check their child's lunch account balance in the *Lumen Parent Portal* if they have provided the necessary information to Pana CUSD #8 for login access. Students may also access this information via the *Lumen Student Portal*. The student will be informed that they should bring a sack lunch until money has been deposited into their lunch account to rectify the debt. If emergency circumstances exist, the head cook, principal, or food service manager should be contacted.

*Board Policy 4:130*

Students are expected to follow all school rules when riding the school bus. A student may be suspended from riding the bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct, including but not limited to, the following:

1. Violating any school rule or school district policy.
2. Willful injury or threat of injury to a bus driver or to another rider.
3. Willful and/or repeated defacement of the bus.
4. Repeated use of profanity.
5. Repeated willful disobedience of a directive from a bus driver or other supervisor.
6. Such other behavior as the building principal deems to threaten the safe operation of the bus and/or its occupants.

If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the School Board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons.

A student suspended from riding the bus who does not have alternate transportation to school shall have the opportunity to complete or make up work for equivalent academic credit. It shall be the responsibility of the student's parent or guardian to notify the school that the student does not have alternate transportation.

*Board Policy 4:110; 7:220*

## HEALTH AND SAFETY

### Eye Examination

All students entering kindergarten or the school for the first time must present proof by October 15 of the current school year of an eye examination performed within one year. ### Dental Examination

All students entering kindergarten, second, **sixth** and ninth grades must present proof by May 15 of the current school year of having been examined by a licensed dentist within the last 18 months. ### Exemptions

A student will be exempted from the above requirements for:

1. Medical grounds if the student's parent/guardian presents to the building principal a signed statement explaining the objection;
2. Religious grounds if the student's parent/guardian presents to the building principal a completed Certificate of Religious Exemption;

3. Health examination or immunization requirements on medical grounds if a physician provides written verification;

The term "children with disabilities" means children between ages 3 and the day before their 22nd birthday for whom it is determined that special education services are needed, except those children with disabilities who turn 22 years of age during the school year are eligible for special education services through the end of the school year. It is the intent of the school to ensure that students with disabilities are identified, evaluated, and provided with appropriate educational services.
