

Middle School Board Report November 2024

STEM SHUTTLE VISITS UNITY

Monday, October 28th was an exciting day for the 5th graders at Unity Middle School.

The mobile classroom, owned and operated by the Dream Flight USA Foundation in Wausau, is in its 19th year of traveling throughout Wisconsin motivating students in middle school to learn. STEM shuttle missions is a learning opportunity that challenges students to a variety of hands-on work stations.

DOOR DECORATING CONTEST

The Middle School Office hosted a Halloween Door Decorating Contest. Each homeroom was given the task of planning a door design and using teamwork to decorate the door. Judging was done by three district staff members and the winners were as follows:

- 1st Place: Mrs. Fugate
- 2nd Place: Mrs. Johnson
- 3rd Place: Mr. Perkins

In all, students had a great time collaborating and making creations to make the Middle School Hallway fun for Halloween!

STAFF & STUDENT CELEBRATIONS

The Unity Middle School students and staff shared in the excitement on October 18th during the annual staff vs. 8th-grade student football game at ROK Stadium, followed by a spirited volleyball match. Both events provided a fun and engaging way to celebrate a successful fall season and strengthen our positive school culture.

STUDENTS LEADERSHIP WORKSHOP

Middle School Student Council officers recently attended a student leadership conference, featuring keynote speaker Sam Demma. Demma shared insights on the power of kindness, resilience, and how small, consistent actions can lead to significant change. Students also had the chance to learn from students from other districts, who presented school initiatives and discussed the challenges and processes involved in launching these projects. The conference concluded with our students setting their goals and mapping out their plans for the year ahead.

LIONHEART EXPERIENCE

On November 7th, we were excited to welcome back the Lion Heart Experience for another impactful presentation to our 7th & 8th grade students.

Using music, storytelling, and art, they once again addressed critical topics like anxiety, depression, and self-harm, guiding students to reflect on their sense of self-worth and how it influences their interactions with the world around them.

NOTEWORTHY DATES & NEWS

- 11/11/24: VETERAN'S DAY PROGRAM
- 11/22/2024: END OF TRIMESTER 1
- 11/25 - 11/29/24: FALL BREAK
