Principal's General Narrative:

October has been a great month with many things going on. We had our first Campus Improvement Meeting with parents, staff, and various members of the community. The Fall Festival was a success; we sold over 8000 tickets and had a huge turnout from students and parents from the community there. Deputy Frias and I went to a safety training and were able to bring back a new district wide plan to put into place, streamlining all of the district using the same verbiage. We have already trained the staff and students at the high school and junior high. Brackett High School Band received an Excellence rating of "2", which has not been achieved in many years. Our athletics has been extremely busy, as well as successful. Our varsity volleyball players went undefeated, earning a District Champion honors. Their first playoff game will be on Thurs., Nov. 6th. Our last varsity football game will be on Fri., Nov. 7th at Harper, with a chance for our boys to make it to the playoffs. Our Varsity Cross Country boys and girls were District Champs and moved on to Regional where Gabriela Sandoval and Cheyenne Hibbitts qualified for state as well as the entire varsity boys team qualifying for state as well. The state meet is scheduled for Sat., Nov. 8th in Round Rock, Tx.
