

Memo to: Board of Trustees
Memo from: Derek Citty
Date: May 16, 2016
Re: Aledo Learning Center Principal

We are excited to recommend Cheryl Jones as the next principal for Aledo Learning Center.

This position was posted internally and Ms. Jones was our lone applicant. She completed the principal screener and participated in a four person team interview with Dr. Citty, Lynn McKinney, Kathy Allen, and Denise Dugger.

Cheryl Jones' educational background includes:

- A Bachelor of Science from Tarleton State University in Administrative Systems with a Secondary Education Certification
- A Master of Education from Tarleton State University in Curriculum and Instruction

Cheryl Jones' career highlights:

- Began her teaching career in Paint Creek ISD in Haskell where she taught business courses and served as the technology coordinator for three years.
- In 2000 she joined the Bearcat family as a business teacher at AHS.
- In 2005 she continued teaching business and also served as the District Webmaster on a part-time basis.
- In 2009 she moved into an assistant principal position at AHS while continuing as District Webmaster.
- In 2010-2011 she became a full time assistant principal at AHS.
- In 2011 she was promoted to fill the Aledo Middle School principalship where she has served the last five years.

Aledo ISD is a family affair for Cheryl's family as she and her husband Robby both work and live in the district where their two teenage sons attend school.
