**School Board Meeting Agenda Item**

Topic: EDIAM Resolution

Presenter(s): Bob Jaszczak, Superintendent

Nature of Action Requested

Board Action X  
Board Information or Report

Background Information

The School Board must designate an Identified Official with Authority (IOwA) to authorize user access to State of Minnesota Education secure websites for your organization. The IOwA is responsible for authorizing, reviewing, and recertifying user access for their local educational agency in accordance with the State of Minnesota Enterprise Identity and Access Management Standard, which states that all user access rights to Minnesota state systems must be reviewed and recertified at least annually. The IOwA will authorize user access to State of Minnesota Education secure systems in accordance with the user's assigned job duties, and will revoke that user's access when it is no longer needed to perform their job duties.

Recommendation

I move to approve the EDIAM resolution authorizing Bob Jaszczak to act as the Identified Official with Authority (IOwA) for Red Wing Public Schools ISD# 256 as of July 1, 2025.
