Principal's General Narrative:

November has been a great month we implemented the new Standard Response Protocol and held training for all staff and students of the district. Our High School was picked to go speak at a Principal panel on Dec. 16<sup>th</sup> at region 20 over our achievements in level 1 Achievement. This is a huge honor that this school has received to go talk about its ELL and Sped Achievements. Generation Texas week is going on the 1<sup>st</sup> of December, we have college and career day for all Secondary students.
