

Report for August 2025

Summer has been good to us at the Center. Our programming has stayed relatively strong in spite of lots of vacationing participants and instructors. Our fundraising has been consistent with our Car Show and our Pasty sales. Our new building has quickly become a god-send allowing us to move items from within the building to storage spaces in the barn and garage. Some of our smaller projects have been completed and are paving the way towards larger ones that we'll tackle when the bulk of our volunteers return in the fall.

In addition to the new programs that I introduced last month, we will be adding:

- Single Mingle (trivia and music night for those without a spouse/significant other) beginning October 21 from 6:00 to 8:00.
- Blood Drive on October 31 from 10:30 to 2:30. We're working on a "vampire" or "Halloween" theme to coincide with the festive day.

We're still looking for a Tai Chi instructor...
