

## SCHOOL BOARD MEETING REPORT

Board Meeting Date: 15-Jul-14

Agenda #                     

Staff/Administrator: David Holmes

Superintendent: David Holmes

Type of Item: ☐ Informational ☒ Action

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

To approve the addendum to the Sodexo contract for the 2014-15 school year.

**Provide history/background information on your proposal.**

We are currently on a one month temporary agreement while we were able to negotiate a new 1 year addendum.

**List the advantages of your proposal:**

Maintaining the buying power of Sedexo and having the cadre of professionals to oversee and advise the program that are a part of this contract could not be duplicated in my opinion at the local level on our own. The re-negotiated addendum realizes the district a \$100,000 savings over the previous contract. In addition, the ability to team with Sedexo early in the school year to evaluate our entire program for efficiency is a distinct advantage moving forward.

**List possible disadvantages of your proposal:**

None that I'm aware of.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**

Bringing food service in-house (not currently timely or cost effective), Contracting with another food service company (not currently possible based on the current time frame).

**Superintendent's recommendation(s):**

**Approve:** Yes ☒ No ☐
