SUBJECT: Revised Policy 4330, 2nd Reading

We are updating Policy 4330, “Release of Students During School Hours” to align with the District’s protocol for working with law enforcement that was developed in 2016. The policy outlines when students may be released to law enforcement, DCFS, or other non-parent/guardians. The revised memo adds a section for when a student may be released to parents in a divorced situation and when a student may be released without a parent/guardian picking the student up.

We have had no input on this revised policy, so we ask the Board to approve this on 2nd reading.
