United High School Wind Ensemble to Perform at Prestigious Music for All National Festival

The United High School Wind Ensemble will join 45 invited ensembles from across America in Indianapolis, March 21-23

The **United High School Wind Ensemble** has been selected to perform at the 2024 Music for All National Festival, presented by Yamaha, in Indianapolis, March 21-23, 2024. The United High School Wind Ensemble under the direction of John J. Mallon was selected following a rigorous application and audition process.

The Music for All National Festival will feature high school and middle school ensembles from across the country, considered the nation's premier non-competitive festival for scholastic instrumental music ensembles. Student musicians perform at top venues, receiving evaluation and feedback from a panel of renowned conductors and clinicians, and participate in educational workshops. Invited ensembles include high school and middle school concert bands, orchestras, percussion ensembles, and chamber ensembles, all who have achieved the highest level of scholastic excellence.

The United High School "Mighty Longhorn Band" has been the recipient of 24 consecutive sweepstakes in UIL Marching band and Concert band contests. The band has served over 10,000 student members since 1965!! The marching band has been to the Texas State Marching contest 3 times since 2012!

Since 1975, Music for All has been a destination and set the standard for scholastic music ensemble performance and music education advocacy. As a 501(c)(3) nonprofit educational organization, Music for All's mission is to create, provide, and expand positively life-changing experiences through music for all. Music for All's events include Bands of America Championships for marching bands, summer camps for students and teachers, and the Advocacy in Action Awards.

Music for All serves more than 600,000 student musicians, teachers, families, and supporters annually through its events and programs held across America, and its webinars, podcasts, and online resources.
