Galveston ISD

Dear Connie Morgenroth,

You count on a strong risk management and coverage provider to support managing operations and risk at your organization. Thank you for trusting the TASB Risk Management Fund to be that partner. The Fund's partnership with its more than 1,000 members has provided stability and financial strength for nearly five decades.

- **Strength in Sharing:** The Fund is the largest school risk-sharing pool in Texas and is led by Fund member school board trustees and administrators. The Board ensures the Fund remains financially strong and provides stability and responsiveness for all Fund members.
- **Financial Security:** With more than \$200 million in Members' Equity, the Fund has the financial strength to manage claims and respond to the impact of changing environments for members.
- **Responsive Service:** The Fund offers specialized coverage and services to meet Texas public schools' unique needs and exposures.

We are pleased to provide you with a renewal proposal for the 2022–23 coverage term. This year's renewal proposals reflect the Fund's efforts to respond to the evolving exposures and risks faced by its members. Your proposal reflects the Fund programs in which your organization participates. The following are highlights of key program changes for 2022-23:

- **Property** coverage costs continue to be driven by severe weather and increased building values. The Fund's Board of Trustees authorized use of Members' Equity to help limit the impact of cost increases for Fund members this year. Members will receive renewal options with higher weather deductibles to further reduce costs. Small and mid-size members will also have options to lower weather deductibles.
- **Auto and School Liability** rates will remain level for most members with contribution changes based on loss history and exposures. **Auto Physical Damage** claims costs continue to increase as vehicles are more costly and complex to repair. These rates will increase moderately for most members.
- **Workers' Compensation** rates will remain stable with little to no increase. Contribution changes reflect normal payroll changes and loss history. Costs remain steady even though claims have returned to pre-pandemic levels.
- Improved cyber risk management practices are paramount for all organizations as ransomware attacks and other risks increase. The Fund continues to offer affordable **Privacy & Information Security** coverage to members and will continue to provide resources to help members improve cyber security controls.

- **Unemployment Compensation** coverage is effective October 1, 2022, for all members of that program. Renewals will be issued in August with member contributions decreasing by 5%, on average.

A summary of updates and clarifications to the Fund's Property and Liability coverage terms and agreements is included in this renewal proposal. Coverage agreements can also be accessed on the Fund's website. Workers' Compensation and Unemployment Compensation coverage is statutory.

Please carefully review all terms and features of this renewal proposal. When ready, you may accept your renewal proposal by signing the Contribution & Coverage Summary and returning it by email to me or to TASBRMF@tasbrmf.org. You may also complete the electronic acceptance using the link in the renewal email sent to the designated Program Contact.

Please note, if you take no action, coverage will automatically renew under the terms of this renewal proposal. If Property coverage is included and you take no action, coverage will automatically renew at the lower weather deductible offered. If you want to terminate coverage, the Fund must receive written notice of termination at least 30 days prior to your renewal date. If you are unsure of your plans to renew or have questions about the renewal proposal or any aspect of your Fund membership, please contact Rosa Brown or any member of TASB's Underwriting and Marketing Division at 800.482.7276.

Thank you for your membership in the Fund. We look forward to our continued partnership in the coming year.

Sincerely,
Rosa Brown
