Hello,

We have been studying Gonzales County and came across some land that you own. I'd like to make you an offer with an easy, hassle-free closing.

I am prepared to offer you \$47,576.18 for your land.

I understand closing can be stressful. That is why my company is willing to pay all closing costs for a Texas title company to ensure a smooth closing and your peace of mind.

Call to discuss more.

Kind Regards,
Amanda Jones
