Administrative Services

Re: **Legislative Update Training for School Board Trustees**

The Division of Administration is planning five **Legislative Update** sessions for **school board trustees in September 2017**. The Texas Education Code (TEC), §11.159 and the Texas Administrative Code (TAC) §61.1 (1) (D) require returning board trustees to receive an update after a Legislative Session. The trainings will be held at various locations throughout the Region for your convenience. Dates, times, locations, and the registration link are listed below. Since changes in the code and other relevant legal developments related to school governance will be discussed, we encourage all school board members (**returning and new**) to attend this training. Newly elected school board members should attend one of these trainings since additional information, different from the TEC orientation will be presented.

Select one of the five sessions listed below for your Legislative Update training (Region10 will provide dinner before each training begins). Deb Cahill (phone: 972-348-1422 and e-mail: deborah.cahill@region10.org) will always be available to assist you, your staff, and your board members in the registration process.

Thank you for your attention to this training opportunity for trustees in your district. Please feel free to call with any questions regarding the Legislative Update or any other School Board Training opportunities.
