

Dear Mr. Tammi, Mr. Dreher and School Board Members,

I am putting in my notice to inform you I will be resigning as Trap Coach as of today. I have fully enjoyed starting this program and coaching for the last 7 years, but my priorities have shifted to my grandchildren.

I've put some feelers out there for next year coach(es) and hopefully a parent or two might step in. I certainly will help with integrating another Coach. Also, maybe it might be a possibility to join with Kelliher School since we already share sports.

Thank you,
Kim Lindner
