**BACKGROUND INFORMATION:**

The Student Insurance is currently with GM-Southwest and our premium for the current school year 2010-11 is \$27,260.

Student insurance bids were received from five companies for the 2011-12 school year.

**RECOMMENDATION:**

Accept the Brokerage Store Texas Star Plan (first column listed on spreadsheet) for a total premium of \$24,462. This quote is a two year rate. This will be a savings from the current premium of \$2,798.

**BOARD ACTION REQUIRED: Sample Motion**

I move we approve the Brokerage Store Texas Star Plan for Student Insurance for 2011-12.
