Re: Athletic Director Report February, 2018

Winter sports season are entering crunch time.

Girls' Basketball-

The girls' varsity beat Weiser last night to advance to the state play-in game against Fruitland on Thursday night. They are starting to play some of their best basketball right now. Everyone is finally healthy and it showed last night. If the girls win tomorrow they will advance to the state tournament next week at Skyview High School.

The sub varsity teams both lost in the semi finals of their district tournaments. This was a rough season for the sub varsity teams due to concussions. There were four different girls that suffered concussions which led to substantial practice and games missed.

Boys' Basketball-

The boys varsity team is currently 3-3 in league play, which is tied for second place. There is actually a four way tie for second place in the boys conference right now. They play in Fruitland tonight and host Parma on Friday for senior night. The boys district tournament starts on next Monday.

The JV boys are sitting in 3rd place as of now with a league record of 3-3 and the Frosh boys are in 2nd place with a record of 4-2. The playin game for the sub varsity tournament is this Saturday so hopefully they will not be playing in that game.

Wrestling-

The wrestling team is continuing to improve each week. They have been competing in many tournaments around the state. Their district tournament is next Saturday at Fruitland High School. I expect us to have several individuals qualify for the state tournament in Idaho Falls on February 23 & 24.

Cheer-

Cheer are competing in their district tournament this Saturday at Capital HS.

Spring Sports-

Spring Sports will begin February 23rd with first practices.
