

UNITED INDEPENDENT SCHOOL DISTRICT AGENDA ACTION ITEM

TOPIC: Consideration for Approval to award remainder of work under RFP 2004-056 Network Equipment & Data Cabling Services (E-Rate 8) from Presidio Corporation to SBC Global Service Incorporated DBA AT&T Global Services

SUBMITTED BY: Cordelia Flores-Jackson / Hector Perez **OF:** Purchasing Dept. / Technology Dept.

APPROVED FOR TRANSMITTAL TO SCHOOL BOARD: _____

DATE ASSIGNED FOR BOARD CONSIDERATION: February 20, 2008

RECOMMENDATION:

District Administration is recommending that the Board award the remainder of the work under RFP 2004-056 (Network Equipment & Data Cabling Services) to SBC Global Services, Inc., d/b/a AT & T, Global Services.

RATIONALE:

Due to land acquisition issues, the last elementary school (Killam Elementary) is being built outside the initial contract term of The Presidio Corporation who was the primary vendor of RFP 2004-056. As such, The Presidio Corporation cannot be legally obligated to perform according to the agreed upon contract terms, as the contract in question with Presidio has expired. The District, nevertheless, was able to secure the same price from SBC, which is doing business as AT & T and which said company ranked as the secondary vendor, based upon a "best value" determination, to the contract initially awarded to The Presidio Corporation.

BUDGETARY INFORMATION:

There will be no increase in costs to the District as a result of the change of providers.

Dear Mrs. Flores-Jackson,

This letter is to notify United ISD that SBC Global Service Incorporated DBA AT&T Global Services will honor pricing that was provided by The Presidio Corporation for Killam Elementary on RFP 2004-056 (Erate 8) for equipment, cabling and labor associated with project. Total project is \$654,748.80. AT&T did respond to this bid in December 2004 as SBC.

Thank you,

A handwritten signature in black ink, appearing to read "P. Hager", with a long horizontal line extending to the right.
