Dear Mr. Turner,

Please accept my resignation from my position as a Fifth Grade Teacher at Reagan Elementary School effective immediately.

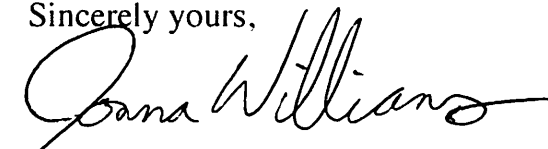

This has been a difficult decision for me but I believe stepping away from education is what is best for my family and myself at this time. I appreciate all you have done for me over the past 5 years both professionally and personally.

My students have given me great pleasure over the years, and the administration has been very supportive during my time with the school district. I could not have asked for a better group of people to work with and for.

I wish you all the best.

If I can be of any assistance to you during the preparation for the upcoming school year, please let me know.

Sincerely yours,

Jonna Williams
