# Services for MISD Staff

- Free Income Tax Service
- Doggie Day Spa & Care
- Printing Panther
- Graphic Design
- Red, White, and Brew

## FREE INCOME TAX SERVICE

PROVIDED BY MIDWAY HIGH SCHOOL CERTIFIED TAX PREPARERS

LET US HELP YOU KEEP MORE OF YOUR MONEY!

## Basics of CTE

- a. 14 Career Clusters
  - i. 60 programs of study
- b. Level 1 - Level 4 Courses
- c. Texas incentivizes students that complete pathways (Level 4) by labeling students concentrators and completers and by incorporating with CCMR and elevating funding

## TEA CTE Pathway Refresh

STEM as a Career Pathway was dissolved

- Engineering, Computer Science, and Biomedical Science (programs of study) moved

Engineering is its own career pathway with 6 new programs of study

- We offer Engineering Foundations, Mechanical and Aerospace Engineering, and Electrical Engineering

Computer Science moved into Information Technology Pathway

Biomedical Science moved into Health Science Pathway

## CTE Programs of Study Changes

### New to Midway

1. Exercise Science, Wellness, and Restoration (NEW)
2. Diagnostic & Therapeutic Services (combined Healthcare Diagnostics, Healthcare Therapeutics, Medical Therapy, and Nursing Science)
3. Engineering Foundations, Mechanical and Aerospace Engineering, and Electrical Engineering (All Separate Programs of Study)
4. Real Estate (NEW)
5. Robotics and Automation Technology (New Courses coming)

## Changing Industry Based Certifications

TEA is proposing changes to how certifications count and are earned for CCMR

Each certification will be tiered as determined by labor market data and set by the Texas Education Agency

1. Aligned to in-demand AND high wage occupations
2. Aligned to in-demand OR high wage occupations
3. Does not meet either indicator

Certifications will then be given a numeric calculation that will deem students as percentages of College and Career Ready

- To Earn full CCMR point, student must be a completer (3 or more courses for 4 or more credits and earn Tier 1 IBC)

# College and Career Readiness in Texas 2023 Graduates

| CCMR Criteria  | MISD CCMR - 95.9%               |
|--|---------------------------------|
| Meet Texas Success Initiative (TSI) Criteria in RLA and Mathematics                              | 89.7% (91.7 - RLA, 93.6 - Math) |
| Dual Course Credits  | 26.4%                           |
| Meet Criteria on Advanced Placement (AP)/International Baccalaureate (IB) Examination            | 26.8%                           |
| Earn an Associate Degree   | 0%                              |
| Complete an OnRamps Dual Enrollment Course   | 0%                              |
| Earn an Industry-Based Certification (IBC) *   | 11.9%                           |
| Graduate with Completed Individualized Education Program (IEP) and Workforce Readiness           | 1%                              |
| Graduate Under an Advanced Diploma Plan and be Identified as a Current Special Education Student | 5.4%                            |
| Earn a Level I or Level II Certificate   | 0.0%                            |
| Enlist in the Armed Forces or Texas National Guard **  | 0.0%                            |

## Pushing to the Future

1. Ensure students leave MISD College and/or Career Ready
2. Continue to provide teachers with depth and connection to industry
3. Continue to align MISD with labor market data while remaining responsive to student interests
4. Provide relevant and connected experiences for students
5. Remain responsive to ever-changing CTE landscape due to legislative, political, and local efforts
