

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Building Updates:

Thank you to our summer maintenance team and Chris Lynk for their help in getting RGS ready for students and staff! The gym floor was resealed and hallways and bathroom received a paint touchup and refresh. Our 20 new whiteboards were also installed and chalkboards removed. Plus our classrooms and hallways have been cleaned and rewaxed. We updated items on the ROEs safety checklist, moved classrooms so that the mobile no longer houses any classes or interventions.

SIP Goal Update: Our IAR scores have been shared by the state and there's more work to do. We will continue to work with Leadership Teams, Content Team Leads, teaching and support staff to address students needs in math specifically. Our schedule continues to have Math WIN time, our building PLCs will continue to look at student data throughout the year, and we have had teams create boot camps to start the school year and minimize learning gaps.

Upcoming Dates

- August 26th - Curriculum Night 6:30-8pm and Community Resource Night 5-7pm
