

Nippersink District 2 Board of Education

The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Spring Grove Elementary School
August 19, 2026

Building Update

A special thank you goes out to our SGE custodian, Chris Schaefer, for all of his hard work getting the school ready for the first day of school. This was Chris's first experience preparing the building for the start of a new school year, and he did a tremendous job making sure everything was ready for our students and staff.

At the time of this report, the SGE electronic sign was close to being completed. We are excited to begin using the new sign and testing out all of the features it has to offer. We look forward to having another great way to communicate important information with our SGE families and community!

School Celebrations

We were so excited to welcome all of our new kindergarten students on August 11, 2026! It was wonderful to see so many smiling faces as our students and families got their first look at Spring Grove Elementary.

Families had the opportunity to drop off school supplies, meet our staff members, tour the school, and even take a bus ride! It was a fun and exciting morning, and we are looking forward to an amazing school year with our newest SGE students!
