

Strategic Plan Scorecard Goal Update

August 20, 2026

3 Overarching Foci

- Valuing effective relationships with staff, students, and families
- Cultivating an inclusive community with staff, students, and families
- Student growth with staff, students, and families

A place “where learning is personal.”

Finances, Resources, and Facilities

Long Term Goal:

Effectively and responsibly manage district resources to address priorities that stem from our mission, vision, values, and strategic priorities.

- **Goal 2026:** Analyze and update district digital infrastructure including Access Points, Wireless Controller, and Switches. Replace roof on one room schoolhouse. Begin upgrade of light fixtures to LEDs at Winfield Central.
- **Result 2026:** Plan has been implemented for upgrading Access Points, Wireless Controller, and Switchers. Order has been made and waiting on delivery and installation. The roof on the one room schoolhouse was completed. Light fixture upgrade to LEDs is ongoing.

Learning Environment

Long Term Goal: Provide high quality instruction in a safe, welcoming, respectful, and positive learning climate.

- **Goal 2026:**

- Continue professional learning experiences around classroom culture, relationship building, connection development, and bullying.
- Complete development of baseline data for new 3-8 survey (year 3 of anticipated 3 years of data - FISH Surveys, 3-2-1 surveys).
- Continue to analyze current survey data with 80% overall target until new survey is completed with full baseline process. (K-3 FISH Survey, 4-8 5-Essentials)

- **Result 2026:**

- Targeted learning opportunities for with common vocabulary for emotional regulation - Zones of Regulation
- 0 incidents during 25-26 school year were filed with Illinois State Board of Education as meeting bullying definition and required to be reported to State (requirement starting 2024-25 school year)
- Continued ongoing growth in FISH! Survey and community survey data as presented in [Winter 26 Data Presentation \(beginning slide 70\)](#)

Long Term Goal: Enhance instruction with technology and prepare students to be responsible digital citizens.

- **Goal 2026:**

- Engage focus on developing student generated creative products to meet learning standards
- Implement coding experiences for students in grades kindergarten through 5th grade
- Begin exploration to define and share responsible use of AI for staff and students

- **Result 2026::**

- Implemented first year coding learning experiences in K-5 classrooms
- Developed [AI plan](#) for district
- Multiple different green screen, ozobot, and digital photography learning experiences throughout the grade levels

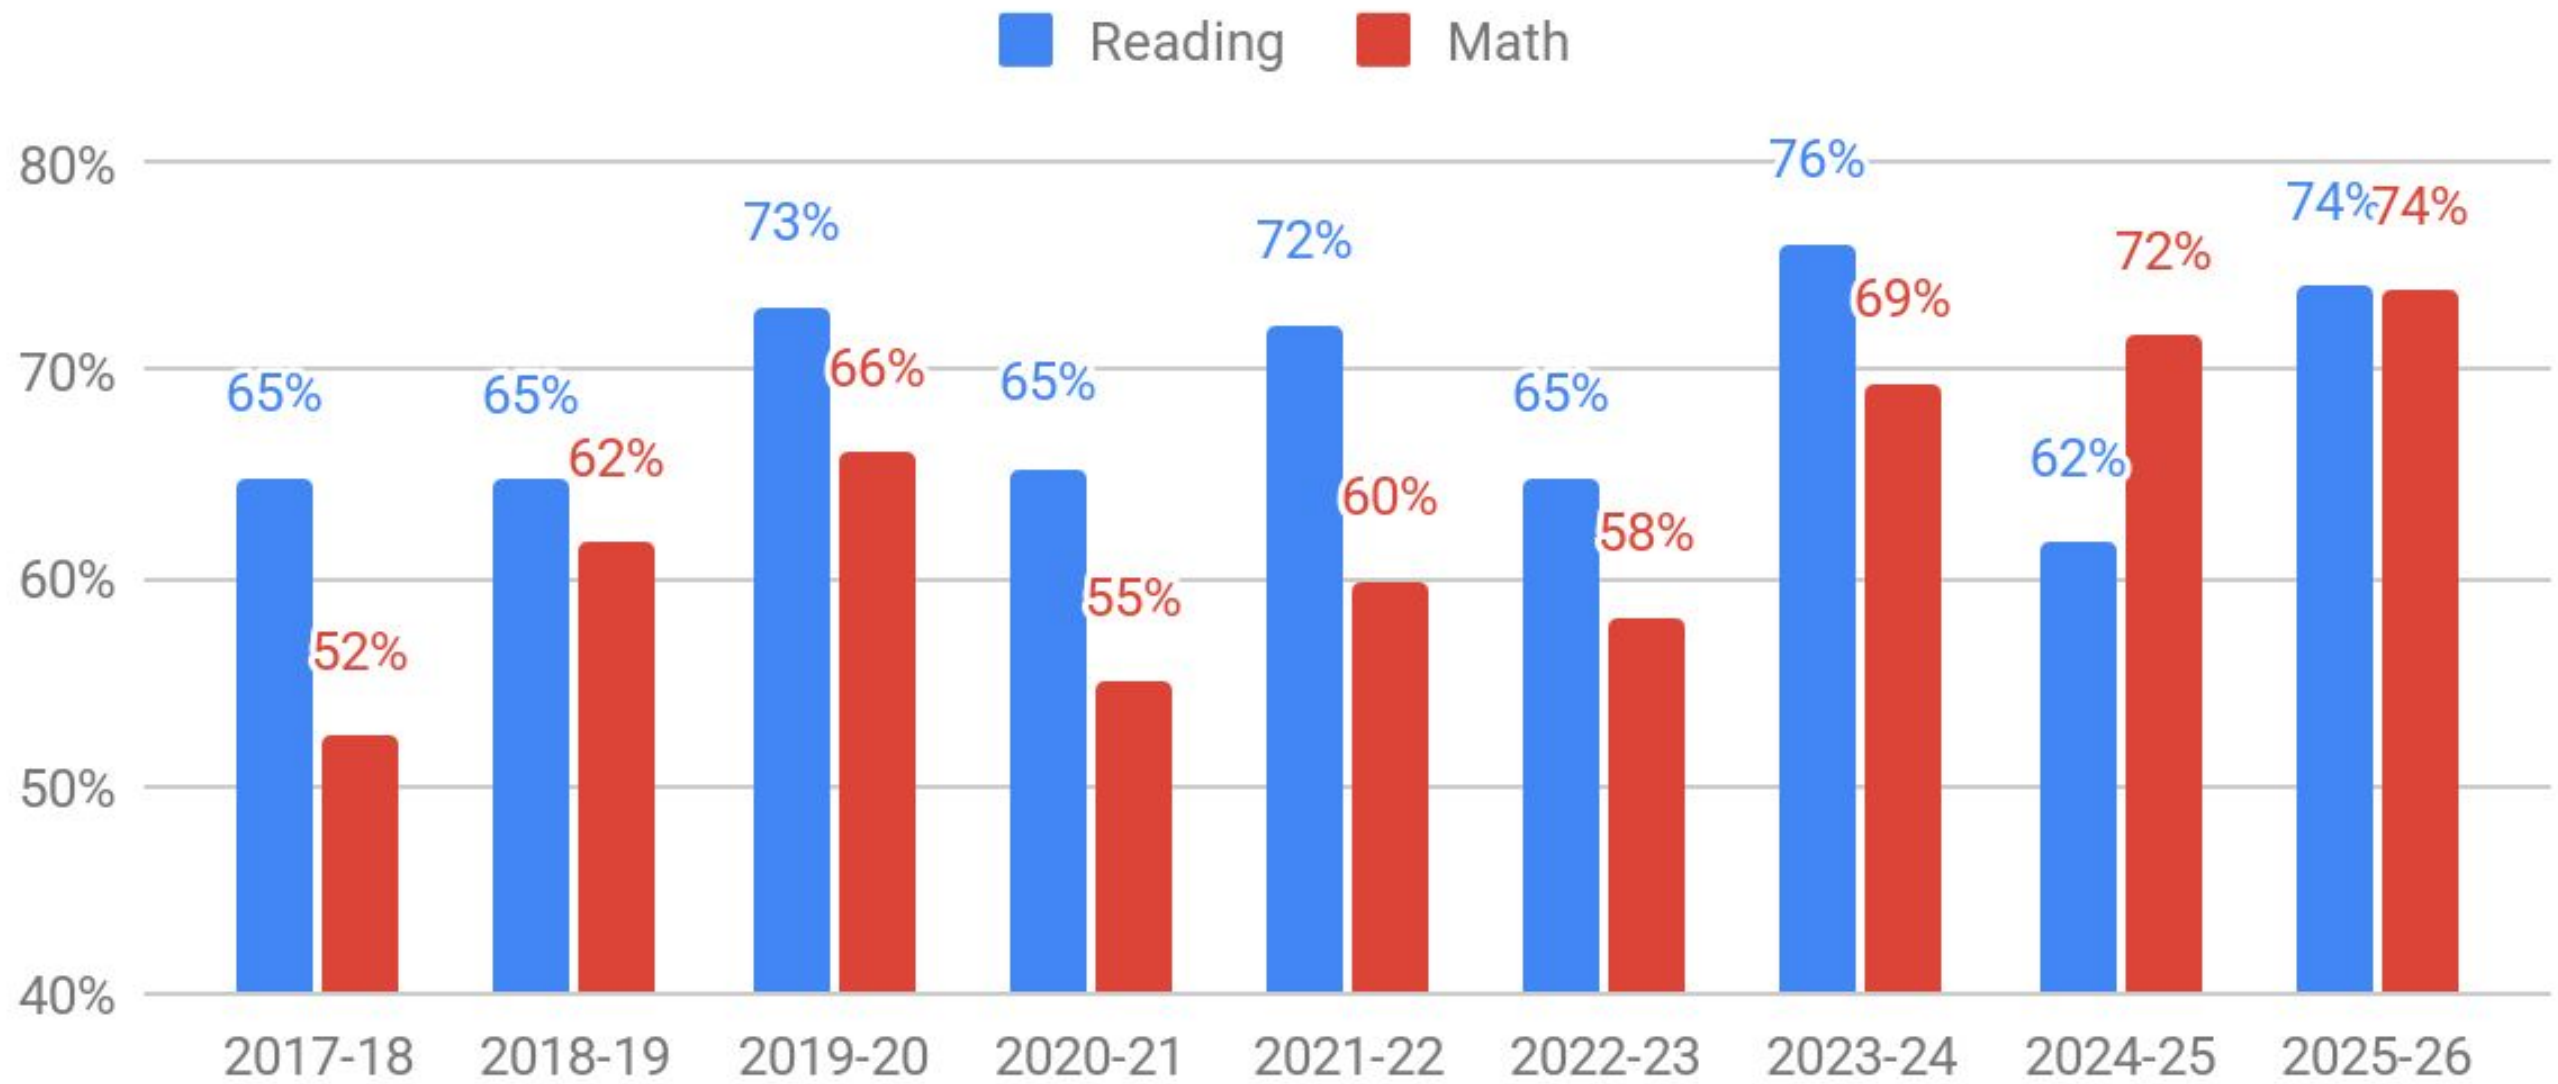

Achievement

Long Term Goal: Show continual student growth and development using a variety of assessments.

- **Goal 2026:** Continue to raise the percentage of K-8 students meeting or exceeding their growth goal from Fall to Spring on MAP Reading and Math.
- **Target 2026:** *Data will be monitored in Winter 2026, Spring 2026, and Winter 2027. A new baseline for growth goals will be developed after these data points are collected.*
- **Result 2026:** 70.99% Reading & 79.01% Math.

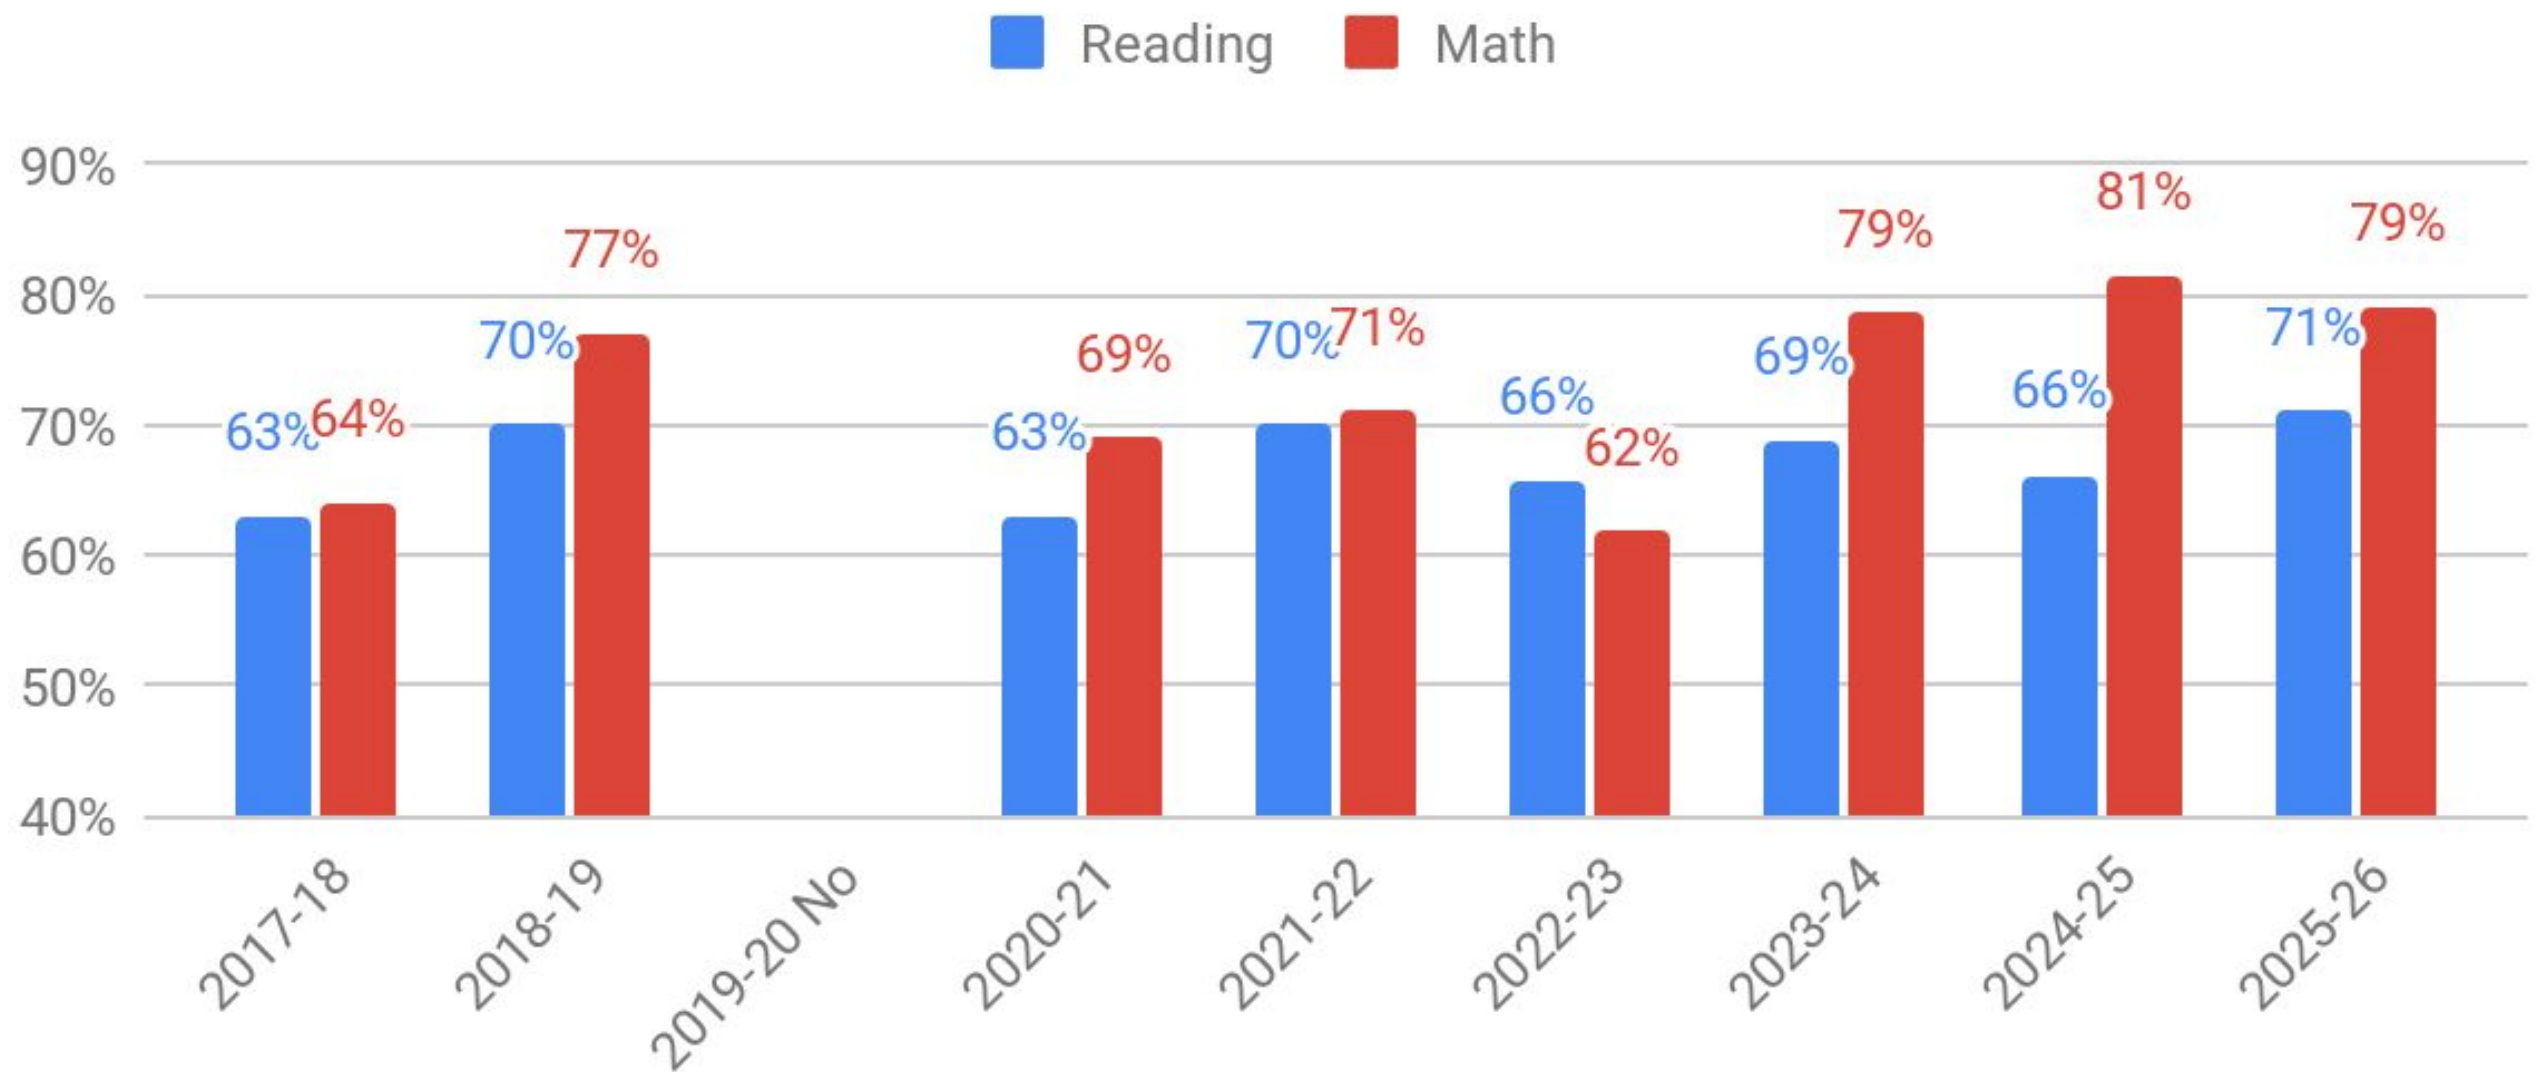

Fall to Winter % of Students Making Growth Targets on NWEA MAP

Fall to Winter - Overall Growth

Fall to Spring % of Students Making Growth Targets on NWEA MAP

Fall to Spring - Overall Growth

Professional Environment

Long Term Goal:

Sustain high expectations for growth and achievement by adhering to research-based best practices and providing the resources, professional development, and support for all staff.

- **Goal 2026:** Implement staff professional learning based on areas identified by staff members through the goal setting process, cultivating opportunities for professional growth based upon teacher/staff member areas for targeted growth.
- **Result 2026:** Goal plans were developed by each staff member. Themes were identified. Targeted professional learning included sessions on site, visits to other school districts for partnered professional learning and conference participation. Setting up continued learning in Executive Functioning and English Learning strategies for 2026-27 school year.

Partnerships

Long Term Goal: Strengthen partnerships by sharing District knowledge and resources with our community stakeholders.

- **Goal 2026:** Increase and strengthen partnerships directly within the Winfield 34 school community. Cultivate new experiences and enhance current experiences in order to increase family connection and participation. Sample experiences include return of holiday sing, preK family nights, showcase, return of volunteer tea, and international/multicultural night.
- **Results: 2026:**
 - International Night was an amazing experience
 - Increased general music experiences with Holiday Sing and Spring Concert
 - Showcase returned for second year after hiatus
 - Volunteer tea was well attended
 - Preschool family nights blend adult learning and student experiences
 - Summer Literacy nights at Winfield Library for Early Childhood and Kindergarten students and families
