**Resolution of the Board to Suspend Portions of EIA Legal for the
2012-13 School Year Only**

Whereas, section 39.023© of the Texas Education Code requires a school district to adopt a policy that requires a student's performance on an end-of-course (EOC) assessment to account for 15% of a student's final grade for the course.

Whereas, River Road ISD policy at EIA Legal includes provisions on EOC assessments to satisfy the statutory requirement related to this statutory requirement.

Whereas, the Commissioner of Education has given school districts the ability to defer implementation for the 2012-2013 school year of the statutory provision the requires performance on an EOC assessment to count as 15% of a student's final course grade.

NOW THEREFORE BE IT RESOLVED that the Board of Trustees of River Road ISD shall suspend for the remainder of the 2012-2013 school year portions of EIA Legal requiring a student's performance on an EOC assessment to count for 15% of a student's final grade for the course.
