

Site Report – LAK – September 2024

To: Superintendent Kasie Luke
and LPSD School Board Members

From: Melody Schilke

Photos & Description of Activities and Events

Still one of the most beautiful places. There were lots of berries and before School started I got the kids outside to help with community cleanup to get our school ready to go. Doing it together meant we got the job done in about 20 minutes!

Personnel Update

Diana Hejtmanek is leading our 6-12th grade students. We now have 9 middle/high schoolers at the Lake. Luke Lloyd is our student teacher and is working on getting his “sea legs” under him as he navigates and learns this amazing profession. Sonya Shelley, our new elementary teacher, is working hard at keeping our young ones engaged and learning everyday. She has 13 students. Nina Garner is continuing to serve many roles in our school as aide, preschool teacher with 4 students, and secretary plus all around helpful with our day to day operations. Inez O’Domin continues to serve our students quality lunches. Natalie Lind is filling in whenever and wherever needed and keeping our school in pristine condition. Clinton Boskofsky continues to help maintain our wonderful school. Tom O’Domin came and volunteered to help get our school up and running at the beginning of the school year and is not returning. He will be missed very much.

Classroom Highlights

So many firsts! Students were glad to be back in school and learning started on day 1!

LSAC Activity

We had our first LSAC of the year on the 18th. Our members are Marty Takak: President Miranda Lind: Vice President Mary Isaac: Member Natalie Lind: Member Nina Garner: Member/Preschool Teacher Melody Schilke: Principal

We approved our previous minutes, talking about possible fundraiser ideas such as taking Spring Pictures and creating a money making opportunity for our Student Government. Plan is being developed.

We discussed a successful start of the school year and are looking forward to our next meeting on Oct. 9. Our meetings will be the second Wednesday of each month.

Community Engagement

We had an amazing Dessert Potluck for our Open House! We all ate and had a great time connecting.

Professional Development

Professional Development Mondays has helped ease everyone into a gradual start for the school year.

Pupil % Attendance K-12

78% Attendance Rate

Student and Staff Safety

Lots of bear activity: We are in communication with the village office and community members to help keep us posted when there is a bear in the village. We are calling and informing parents so students are not walking home when there is a bear nearby.

Other

First time our school has participated in Cross Country in a few years. Our kids maybe didn't place but their faces say it all about how they raced! We will continue to build skills and stamina for the next year.
