Dear Karon,

Thank you for submitting your *UConn Early College Experience Course Enhancement Grant* application to help nurture a community of tolerance in your school and our community. The selection committee is pleased to approve your request or \$1973.00.

The committee is very happy to see that this request will have great impact on student learning and benefit the larger school community as well.

Please carefully read the terms of the funding:

1. The grant is awarded for the sole purpose of the grant project. Please notify us immediately if any changes to your project prospectus have occurred.
2. We will send a check in the amount indicated above to the appropriate personnel at your high school. Please see the attached *Disbursement Form* for details.
3. The project must be completed by June 1, 2020. Upon completing the grant project, you will need to report on the assessment criteria provided in your grant proposal.
4. Please document the project with photographs and video. We will use these photos/videos in UConn ECE materials to showcase the utility of the grant and inspire other school applications in the future. *Please note that we can only use photos and videos of students enrolled in ECE courses. Please do not send photos or videos of students that are not enrolled in your ECE course.

By accepting this grant award, you are also accepting the above stated conditions and timelines. Failure to adhere to the above terms will disqualify your high school from receipt of future OECP grants for a period of three years. Please contact our office in writing to confirm receipt of this letter and acceptance of the grant.

Congratulations on this recognition of your important efforts. We look forward to working with you during the coming year.

Sincerely,
