Subject: Consent Calendar, February 2, 2022 Board Meeting. Three (3) 2022 IC Bus RESB models.

Our Transportation Department would like to purchase Three (3) new school buses. These are on the lot at Rush Truck Centers and they are ready to go. However, they will not hold them until after Board Meeting approval. They have too many Districts in need of them. Per Robert Peterson, he is sending an email out to Board Members to get approval. The cost of each bus is \$132,497.00 for total cost of all three being \$397,491.00. The funding for these buses is coming from Transportations Capital Outlay Budget.
