| | instructional day at all times when one or more students are in the classroom. For purposes of this policy, the instructional day shall be defined as the portion of a school day during which instruction is taking place in the classroom. | |
|----------------------------------|---|--|
| | For the school year in which a campus receives a request for video and audio surveillance, the campus shall continue to operate and maintain any video cameras placed in the classroom for as long as the classroom continues to satisfy the requirements in Education Code 29.022(a). However, the campus may discontinue operation of the video camera during the year if the requester withdraws the request in writing and no request is submitted to continue the sur- veillance. Before a camera is deactivated, the principal shall pro- vide advance written notice to staff on the campus and to parents of the students assigned to or engaging in school activities in the classroom that video and audio surveillance will be discontinued in the classroom and of the opportunity to request continued video and audio surveillance. | |
| | Video cameras must be capable of recording video and audio of all areas of the classroom, including a room attached to the classroom used for time out as defined by law. No visual monitoring, other than incidental coverage, shall be conducted of the inside of a bathroom or other area used for changing a student's clothes. | |
| | The District shall post notice at the entrance to a classroom in which video cameras are placed stating that video and audio surveillance is conducted in that classroom. | |
| Retention of Recordings | Video recordings shall be retained for at least three months after the date of the recording but may be retained for a longer period in accordance with the District's records management program, or as required by law. [See CPC] | |
| Confidentiality of Recordings | Video recordings made in accordance with this policy shall be con- fidential and shall only be released or viewed by the individuals and in the limited circumstances permitted by law. The following in- dividuals shall have authority to view video recordings to the extent permitted by the Family Educational Rights and Privacy Act (FERPA): | |
| | A District employee or a parent of a student who is involved in an alleged incident documented by a recording and reported to the District; | |
| | Appropriate Department of Family and Protective Services (DFPS) personnel as part of an investigation of alleged abuse or neglect of a child; | |

| | For purposes of this policy, the term "human resource staff mem- ber" shall include the Superintendent, a principal, an assistant prin- cipal or other campus administrator, and any supervisory position within the District's human resources office. If an individual listed in items 2–4, above, believes that a recording shows a violation of District policy or campus procedures, the individual may allow ac- cess to the recording by appropriate legal and human resources personnel designated by the District for the purpose of determining whether a policy or procedure has been violated. |
| | Any person who suspects that child abuse or neglect has occurred shall report this suspicion as required by law and District policy. [See FFG] |
| Reporting an Incident | A person alleging that an incident, as defined by law, has occurred in a classroom in which video surveillance is conducted shall file a report on the form provided by the District with the principal as soon as possible after the person suspects the alleged incident. If possible, an incident report form shall be filed within 48 hours of the facts giving rise to the allegation. The principal shall promptly view, or direct an authorized individual to view, the video surveil- lance footage to identify the relevant portion of the recording. No later than ten District business days after the report is filed, the principal or designee shall respond by notifying the person whether the alleged incident was recorded in the District's video surveil- lance footage and shall initiate other steps as required by law, Dis- trict policy, or local procedures. |
| Complaints | Complaints related to video and audio recordings under this policy shall be filed in accordance with DGBA, FNG, or GF, as applicable. A complainant who is dissatisfied with the outcome of the District's complaint process may appeal in writing to the commissioner of education in accordance with Education Code 7.057 and 19 Ad- ministrative Code 103.1303. A parent, staff member, or District ad- ministrator may request an expedited review in accordance with 19 Administrative Code 103.1303. |
