

SUPERINTENDENT'S REPORT

Aloha High School Automotive Program

Our Aloha High School Automotive Program recently completed the NATF (National Automotive Technicians Education Foundation certification site audit. The evaluation committee will be recommending certification of the program. Once the official recommendation is delivered, the Aloha High School Automotive Program will be the only high school program in Oregon with the certification.

CTE Revitalization Grant

The Beaverton School District was notified by The Department of Education last Friday it will be awarded \$317,000. Special thanks to our ESD for writing the successful grant. The grant will provide funding to assist in the implementation of our Career Technical Education Programs.

District Wide Attendance Protocols

Attendance is one of the most critical variables to increase student achievement. We will be constructing district-wide best researched protocols to eliminate chronic absenteeism.

District Goal: WE empower all students to achieve post-high school success.

The Beaverton School District recognizes the diversity and worth of all individuals and groups. It is the policy of the Beaverton School District that there will be no discrimination or harassment of individuals or groups based on race, color, religion, gender, sexual orientation, gender identity, gender expression, national origin, marital status, age, veterans' status, genetic information or disability in any educational programs, activities or employment.
