

## **HVHS April Site Council Minutes**

To: Dave Valenzuela and TRSD School Board

The April meeting which was held on May 6th, was called to order at 3:25pm with the pledge of allegiance.

Present: Brian Miller, Susie Biller, Cindy Wilson Nicole Brown, Dale Fisher, Raynee Wilson, Carla Carter

Absent: Rob Saunders, Cindy Wilson, Ben Bickle

Brian shared that our attendance is 93% right now. Our goal is 95%. Rachel has been holding attendance meetings at lunch. We have been sending A2A letters out to parents.

Dale reported our State Testing numbers are up 16% from last year. Our re test dates are 5/7/19, 5/21/19, 5/23/19. The way we are testing all Juniors in the library with proctors is keeping teachers in their classrooms and is working very well. We tested all students for two periods, it was much more organized. Kids missed just two periods.

Our Essential Skills are looking good. James Powers has worked with Math students, Loralyn Townes is working with Writing. We have a few more to go but better than it has been in the past. They are getting a lot of work samples done. Summer School starts June 24, we have started to sign students up. Summer school is being paid for by 21st Century this year so it is free for students.

We are finishing up our Student Led Conferences. We have 389 total kids in grades 9-11 Advisory. 359 conferences have been completed, 23 are scheduled this week and we have 7 to schedule. Student Led Conferences were a huge success. We heard from many parents that they really enjoyed them.

We are working on the Master Schedule we will meet with Damian tomorrow and review it with him.

More college credits have been earned t this year than in previous years. .  
Several of our students have earned over 40 college credits

Brian organized SWEEP WEEK/LUNCH DUTY #2 to get kids into classes on time. Brian/Rachel/Dale/Chris/Austin- providing sweeps during class periods and breaks. Lunch Duty- everyone will be rotating around the school/Supervising and building relationships. Not very many kids in the hallways, walk up to kids and they get moving. Lunch duty is getting better, Brian sent an email to staff to absolutely do not send kids to parking lot. Klds are outside eating lunch and enjoying the warm weather. We want to get kids to class with sweeps and they are getting better about to class.

Our 4x100 girls team set a new school record at the Rotary Track meet last weekend. Our team are now fastest in the State all classifications 47.97 was their time. The team consists of Nyah Kendall, Jada Hurley, Jenelle Hurley, and Jaaden Steele.

District Track will be hosted by North Valley this year on May 10th and 11th. We will be helping put on the track meet.

Our next meeting will be on May 29th.

The meeting was adjourned at 4:20 pm.
