6th grade – 138

7th grade – 135

8th grade – 122

Total = 395

Transferred – 9

Dropped – 1

Re-enrolled - 5

Building Update

BMS Staff worked the entire month of February remotely and will begin coming into the building March 1st!

Most areas in both the “old” portion and the “new” portion of the building are complete. A final walkthrough with a “punch-list” still needs to be performed, but there are still many areas where finish work is still needed. The new addition is still not 100% wifi capable.

We are waiting on cupboards and countertops in BJA, and seating for the FACS, Art and BJA areas (crescent tables and chairs).

The weight room and fitness area will have the equipment moved from the bus garage once the final punch list is completed. The new gym received a new coat of sealant on the floor, and three additional rows of seating of the bleachers still need to be installed. The cafeteria floor has been waxed/sealed the floor and it is a beautiful area!

The new kitchen is complete and is being used to prepare sack lunches for distribution to the students. Our kitchen is beautiful! If you haven’t had a chance to see it, I’d be happy to give you a tour.

New COVID19 signage for spacing, no social gathering, direction flow in the hallways, and cleaning/sanitizing reminders in the bathroom have arrived and are being placed throughout the building.

Staff were recently given the opportunity to use a second (used) monitor to help teach their classes. Sixteen staff members requested the monitors and the initial reports are that they love them!

Food and Backpack Give-a-way

On February 23rd and 24th, BMS students and families were invited via Face Book and Infinite Campus to come to campus and pickup backpacks containing school supplies and boxes of food. Families were met at their vehicles outside the building by our TA's who delivered food and backpacks to them.

A total of 216 families came in and received food, while over 270 backpacks/supplies were distributed over the course of those two days!

A give-a-way is being planned every two weeks.

Data

(World- Class Instructional Design and Assessment - designs and implements proficiency standards and assessment for grade K-12 students who are English-language learners)

BMS parents and students were contacted to see who would be willing to come to campus and take the WIDA, which has to be proctored in person.

A total of ten 8th grade students, ten 7th grade students and nineteen 6th grade students tested on February 16th - 18th, with make testing occurring February 23rd and 24th.

(an online assessment, data management, and reporting system that provides national and local performance and growth norms for the screening and progress monitoring of math and reading skills for all students in Kindergarten through Grade 8)

(Istation's Indicators of Progress) is a sophisticated, web-delivered Computer Adaptive Testing (CAT) system that provides Continuous Progress Monitoring (CPM) by frequently assessing and reporting student ability in critical domains of reading throughout the academic years.

School Newsletter

Monthly newsletters have been sent out since October to further promote building of relationships between our school and the community. It contains a message from myself, our Dean of Students, special announcements, important dates, technology help, and our Students of the Week and Month.

Here is a link to February's newsletter:

<https://docs.google.com/document/d/12EXdVhNrukPzS6yVQeTgBgvqssjEvQcbMdg42oz1yg/edit?usp=sharing>

Engagement

BMS teachers have been nominating a Student of the Month (from each grade level) since October. Students are chosen from a random draw and incentives have been picked out by Ms. Melinda and Ms. Edna.

Staff have also been nominating a Parent of the Month from each grade level as well, with the intent of getting more parental involvement from home.

They have been receiving a \$25 gift card to Glacier Foods or IGA for groceries or gas at Glacier Foods. We will have a parent from 6th, 7th & 8th grade, which will also be from a random draw.

All winners are recognized in our monthly newsletter and on the district Facebook page.

Here is a complete list of the February nominees and winners:

FEB. 2021

BJA

Jaylin AimsBack – Ms. Bird/Mr. Hagan – SOM- Perfect Attendance, Engagement, & completion of work

Elgin Choate – Ms. Bird/Mr. Hagan – SOW – good attendance, almost all assignments complete
