Professional Experience

- 8th grade math teacher

September 2019 – Present

Joseph Melillo Middle School – East Haven

Principal: Darcie Doyon

I teach 3 periods of 8th grade Pre-Algebra, and 1 period of Algebra. Over the course of my five years in East Haven, I've worked to develop an 8th grade curriculum based on the Thinking Classroom model using rich thinking tasks that reinforce the 8th grade common core math state standards. I successfully presented four professional development sessions to school admin, secondary math teachers, and elementary school teachers. I facilitated an integrated STEM summer program for grades 6-8, that focused on student-driven learning, interdisciplinary projects and small group instruction.

- 7th grade math teacher

September 2017-June 2019

Mauro-Sheridan Interdistrict Magnet – New Haven

Principal: Mrs. Sandy Kaliszewski

I taught 3 periods of 7th grade including one Pre-Algebra, and 1 period of 6th grade. I taught using the Springboard textbook and curriculum published by CollegeBoard. I worked closely with the school's math coach and attended several training sessions involving the math department to further my knowledge of the curriculum and the use of technology within my classroom. I also volunteered in my students' 7th grade choir where I worked with the choir director and participated in their spring concert.

- Math Tutor

September 2015 – March 2016

Madison Tutoring LLC- Madison, Ct

As a Math Tutor, I work with assigned students for one hour sessions. I assist students with completing homework, studying for assessments, and completing personalized lessons and activities connected to their in-class lessons that I create. I also work with students on executive functioning.

- 6th Grade Math Teacher

September 2014 – June 2015

Bennie Dover Jackson Middle School- New London, Ct

Principal: Dr. Alison Burdick

I was hired to teach at Bennie Dover Jackson Middle School under a one-year Duration Shortage Area Permit (DSAP).
