Class of 2014 Information (p. 14)

Issues and Resolutions

- TSI is the qualifying assessment in Reading, Writing and Math that **determines** the percent of students requiring remediation.
- Students who enrolled in independent colleges or universities in Texas, out of state colleges or universities, or any non-public career school **are not included**.
- UISD is now providing **more opportunities** for students to take the TSI exams since we now administer TSI at each high school and at different times during the year.
- TSI prep courses are offered to **assist students prior** to taking the exams.

5 Year Graduation Rates History

For:

- UISD
- Region One
- State of Texas
- United States

Graduation Rates History Class of 2015

Entity	All Students	Hispanic	Economically Disadvantaged	English Language Learners	Students with Disabilities
