

Changes to Consolidated Plan (Formerly ESSA Plan)

Every year we have to review the Consolidated Plan. This was formerly the Title I then ESSA plan. It now includes IDEA (Special Education) and Foster Care. Below are some of the very minor changes to the plan.

1. Changed all dates and data using 2020 Report Card
2. IDEA- No changes
3. Family Engagement- I put that we did Open House and other Engagement Activities on-line , and we were looking forward to having these activities in person in 2021-22.
4. Title: I left the same goals as previous years changed dates.
5. Added the hiring of an Elementary Counselor
6. Data- I added no state testing in the 2019-20 school year due to Covid so we didn't have any of that data to use.
7. Low Income- Added that we used ESSR money to buy computers to be 1:1 K-12. Also used ESSR money to buy WIFI Access points and hotspots so all students could use the Internet during remote learning, quarantine times.
8. Added that we will be using ESSR money to help address learning loss, and learning needs of all sub groups. (IEP, Low Income, etc).
9. Foster Care- and Foster Care Transportation- No Changes
10. Professional Development- Capturing Kids Hearts, Math, and Instructional Coaches. We will use some of the ESSA money to go with the CARES Act (ESSR) to pay for some of our Professional Development.

Private School- Waiting on Faith Baptist Academy to determine if they are participating. Sacred Heart will be participating.

2. General Education Provisions Act (GEPA) Section 427 *

Section 427 of GEPA (20 U.S.C. 1228a) affects all applicants submitting proposals under this program. This section requires each applicant to include in its proposal a description of the steps the applicant proposes to take to ensure equitable access to, and participate in, its federally assisted program for students, teachers and other program beneficiaries with special needs.

This provision allows applicants discretion in developing the required description. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. The applicant should determine whether these or other barriers may prevent students, teachers, etc. from such access to, or participation in, the federally funded project or activity. The description of steps to be taken to overcome these barriers need not be lengthy; the school district may provide a clear and succinct description of how it plans to address those barriers that are applicable to its circumstances. In addition, the information may be provided in a single narration, or, if appropriate, may be discussed in connection with related topics in the application.

Section 427 is not intended to duplicate the requirements of the civil rights statutes, but rather to ensure that, in designing their programs, applicants for federal funds address equity concerns that may affect the ability of certain beneficiaries to fully participate in the program and to achieve high standards. Consistent with requirements and its approved proposal, an applicant may use the federal funds awarded to it to eliminate barriers it identifies.

Describe the steps that will be taken to overcome barriers to equitable program participation of students, teachers, and other beneficiaries with special needs.

([count] of 2500 maximum characters used) In accordance with Section 427 of the Department of Ed's General Provision Act (GEPA), Pana CUSD#8 ensures equal access and participation to all persons regardless of their race, color, ethnicity, religion, national origin, gender, age, citizenship status, or disability to the programs and services offered pursuant to ESEA. No barriers exist to equitable program participation. The district has established grievance procedures to resolve any conflict that may arise.

3. General Completion Instructions

Work through the tabs from left to right. Save each page before moving to the next tab.

Required fields on each page are dependent upon funding sources selected on the Coordinated Funding tab.

Many pages have notes at the bottom indicating for which programs the page is required.

To determine if a page is required for the funding sources selected earlier in the application, save the page before completing and look for error messages. If none, the page is not required for the program(s) selected.

How to Complete Pages with Pre-populated Fields

Several pages have two boxes below the narrative questions - one has the response from the prior year plan and the other allows responses for the updated plan. Copy the response from the redisplay and paste it into

the updated plan box, revising the description as necessary. Be sure to save the page once this has been completed for all questions on the page.

Some pages display sections based on which grants were selected on the Funding page as anticipated as funded. To change the sections that display, return to the Funding page and select or de-select grants for which funding is anticipated.

- iii. Describe how the needs assessment information will be used for identifying program goals and planning grant activities for each program as applicable.

A. Title I, Part A - Improving Basic Programs

We use this to pay for teacher and paraprofessional salary and benefits. We provide extra practice for students who are identified as struggling or below grade level. We use NWEA Math Testing, classroom work, and teacher recommendatins to identify these students. We are looking for ways to provide equity for students in E-Learning and Remote Learning situation

B. Title I, Part A - School Improvement Part 1003(a)

C. Title I, Part D - Delinquent

D. Title I, Part D - Neglected

E. Title I, Part D - State Neglected/Delinquent

F. Title II, Part A - Preparing, Training, and Recruiting

Also identify needs assessment results, including description of strategies for closing any achievement gaps and for key professional development opportunit teachers and principals.

Our main goals this year is to continue our training on Trauma Informed Students. (ACES), and student discipline. We will be doing the Capturing Kids Hearts program to help with area. Students come to school with so many issues, that it impacts their learning. The focus of the professional development will be the next step and that is deescalation strategies teachers to use when students are getting upset. We have hired an elementary counselor for next year. Our other area of focus will be math. We continue to struggle with Math on state testing in grades 4-11. The progress we are making is some of our lower students are moving up approaching. We still have too many in the lower categories. The other problem is that we are not moving students from approaching to meeting, so our percentage of students me below state averages in grades 4-11.

G. Title III - LIEP

H. Title III - ISEP

I. Title IV, Part A - Student Support and Academic Enrichment

Also provide information for Title IV-A programs and activities planned as a result of needs assessment that align with the Title IV-A budget.

We will transfer some of the money for professional development. In addition we will use the money to continue to provide equity and educational opportunities in science, technology, music, and the arts.

J. Title V, Part B - Rural and Low Income Schools

We will use this to be able to pay for Renaissance Reading, as well as other technology needs.

K. IDEA, Part B - Flow-Through [1]

We will be in year 3 of our new special ed group. (NPT). This group will continue with the IDEA flow through money to the 3 districts. We will continue to work on ways to improve our services for our IEP students. We are looking at trying to find curriculum that meets the needs of those students that are pulled out for instruction. A concern was raised about the high number of students with IEPs.

The District held a consultation meeting with Stakeholders on June 1, 2021 to review and discuss the 2019-20 Consolidated Plan any changes needed to be made to Pana CUSD # 8's 2021-2022 Consolidated District Plan.

A team of 13 people reviewed the 2019-20 Title I District Plan at the May 1, 2020 consultation meeting. This team included 2 Building Administrator, 5 Title I teachers, 2 regular ed teachers, 1 paraprofessional, special ed coordinator, 1 parent, and the District's Grant Coordinator. Group members were encouraged to make additions or corrections. The plan was updated during the meeting to reflect the group members input and in some cases emails or calls were made to other staff members if questions arose. Meeting notes were also taken. The amended 2020-21 Consolidated District plan was submitted to the District Superintendent, all 5 Building Administrators and the rest of the Stakeholders that attended the June 22nd meeting for final review before submitting the application to the Pana CUSD # 8 School Board for approval at the June 22 2021 school board.

Washington Elementary, Lincoln Elementary, and Pana Junior High School each have a Parental Involvement policy that is reviewed and updated each fall by building team members. This allows each school to build its own policy and supporting procedures individually tailored to ensure effective involvement of parents and to support a partnership among the school, parents, and community to improve student learning. Each policy is then submitted to the School Board for approval each November. Upon approval each building's Parental Involvement plan is posted on the District's website.

Parents and family members are encouraged to attend the team meetings to review the policies annually. In addition, there is an opportunity at the annual schoolwide meeting for parents, family or community members to make suggestions/comments regarding parent/family involvement.

In addition, the District holds monthly Rising Star team meetings that include parents/family members.

We did not have parent responses on the 5 Essential Survey to get data for the 2019-20 school year. This is the first time we were able to get data to help us. In add

We also have a new website, this helps with communication to parents. Amanda Skinner did training for parents so they can access students grades. With Covid we were able to do some family engagement activities on-line. (Open House, ESSA Presentation). We are looking forward to the 2021-21 school year with the hope that we will be able to have these activities in person.

Each school will continue to work to improve parent and family engagement activities. We do a couple of events at the schools each year, but they have mixed results in terms of parent attendance.

Response from the prior year Consolidated District Plan.

We did not have enough parent responses on the 5 Essential Survey to get data for the 2017-18 school year. An effort was made to get more parents to do the survey. We will get parent data for the 2018-19 survey. This will be a continued effort to improve in this area. With the loss of the Healthy Community grant we are looking for ways to fund some of the activities they did. We also have a new website, this helps with communication to parents. All students in grades K-8 will be assessed for reading and math three times per year (Fall, Winter, & Spring) using the Measure of Academic Progress (MAP). The purpose of the assessments will be to serve as a universal screener to provide early identification of students failing to make progress, measure general educational progress toward established benchmarks, and evaluate progress toward meeting the challenging State academic standards. Based upon their performance on the screenings, students will be placed in one of three tiers. Tier 1 is for students meeting the established benchmarks. Tier 2 students are those that are at-risk and in need of interventions to assist them in meeting their benchmarks. Tier 3 students are those that are in need of intensive instructional interventions. The progress of Tier 2 and 3 students will be monitored frequently using a variety of assessment tools. Decisions about student's tier placement will also include referrals by classroom teachers, progress as indicated by mid-term weeks report cards, attendance, and results of locally administered tests such as the STAR Reading Assessment. In addition, the District's School Psychologist reviews student data. If after each succeeding intervention, the progress monitoring assessment indicates that the student is still not making progress towards the goal of meeting State Standards, the student may be reviewed by the administrative team, classroom teachers, Title I teachers, social workers and guidance counselors. Where further interventions will be considered or a referral to be considered for Special Education services.

Pana CUSD # 8 adopted Board Policy 6:130 Program for the Gifted in January 1993. It was revised on November 21, 1994; April 22, 2003; January 17, 2006; October 18, 2018, 2016. It is in the process of being revised to fit the new law.

Due to lack of funding the District is currently unable to provide a individualized education plan specifically for gifted and talented students. If sufficient State funding were available Superintendent and the Board would determine the feasibility and advisability of developing a plan for gifted education that would qualify for State funding. At the Elementary and Tier III interventions provide supplemental differentiated instruction.

Pana Junior High School implemented The Panther Den during the 2017-2018 school year as a way to identify students who are model students. The SAP team felt that these students needed extra enrichment for being model students. The 7th & 8th grade students were selected based on their academics for the 2016-2017 school year. Students who maintained a year long was put into a list for teachers to then vote on the top 10 that they felt were model students behavior wise. Five sixth grade students were selected after 2nd semester.

Pana Senior High's counselors, administration, and staff are dedicated to assisting students with career and technical education.

During the 2019-20 school year Pana High School offered 11 Agriculture Occupations classes including Introduction to Agriculture Industry, Basic Agricultural Science, Welding, Landscaping and Turf Management, Horticultural Production/Management, Agricultural Mechanization/Technology and Supervised Agricultural Experience Program. The Bus department offered 20 courses in keyboarding, computer applications, accounting, marketing, management, record keeping, business technology, media, video production, business, and Photoshop. The Industrial Education/Technology department offered three courses: Introduction to Technology, Drafting, and Construction Technology. The District offered a dual credit course in Health Occupations to allow students an opportunity to explore health careers in addition to preparing students for nurse assistant roles. Students in 11 & 12 have the opportunity to do service work for the schools and community through the Service Learning class.

Students in 11th and 12th grade can choose to enroll in afternoon classes at Okaw Area Vocational Center for an opportunity to do hands on training. The district provides

Pana CUSD #8 strives to provide an educational environment that treats all students with dignity and respect. Homeless students have equal access to the same free and public education as provided to other children. Paul Donahue is the homeless coordinator.

Each year student registration forms include a question asking if the student is homeless. All District principals and building secretaries have been trained on the rights of homeless students and inform parents of the local resources available to homeless students. All students identified as homeless are immediately enrolled regardless of their ability to provide required documentation (eg. proof of residency, birth certificates, medical/immunization records, or previous academic records). Transportation is also provided in accordance with Section 45/1-15 of the Education for Homeless Children Act.

All parents registering students in Pana Schools receive a copy of "The Educational Rights of Illinois' Children & Youth in Homeless Situations" flyer with their registration packet each year.

For several years Pana CUSD # 8 has been working toward transitioning all district school buildings to MAP assessments instead of AIMSWeb assessments. Beginning in 2017 the Pana CUSD # 8 fully transitioned to MAP assessments. Prior to that Pana CUSD # 8 used the same assessment criteria for Public and Non-Public students to determine which students will receive Title reading services. For FY 18 Sacred Heart School wanted to purchase the MAP assessment program for their students utilizing their Title I Non-Public allocation. After multiple discussions with ISBE, it was determined that not an allowable expenditure. Sacred Heart School was unable to fund the purchase of the MAP assessment program and an alternative solution was proposed by Jane Blanton at ISBE. Sacred Heart would administer research based reading series assessments and grade level formative assessments as the two objective criteria to determine which students are failing or most at risk of failing to meet state standards. The Sacred Heart teachers will provide District Title I teachers with the assessment data that the teachers determined which students were eligible for Title I reading and/or math services. Title I teachers will provide parental consent forms and compacts to send home with those students eligible for Title I services. If the Sacred Heart student's score does not support intervention, the classroom teacher deems it necessary, the District and Sacred Heart will meet to discuss the situation. District Title I staff work closely with Sacred Heart teachers, administration, and parents provided at Sacred Heart School by district Title staff members during the regular school day. The District provides Sacred Heart teachers with initial testing reports and progress monitoring information.

Sacred Heart students receiving Title I services receive invitations to all District Parental involvement activities and parents of those students are encouraged to contact District Title I staff if they have any questions regarding services provided to their children.

[ESEA of 1965 as Amended, Section 6312\(c\)](#)

BACKGROUND

Section 6312(5)(B) of ESEA of 1965 as Amended by ESSA requires that the local educational agency (LEA) collaborate with the state or local child welfare agency to develop and implement clear written procedures governing how transportation to maintain children in foster care in the school of origin when in their best interests will be provided, arranged, and funded for duration of the time in foster care.

DEFINITION AND REFERENCES

First Division vehicles are defined in the Illinois Vehicle Code as motor vehicles designed to carry no more than 10 persons total.
 First Division vehicles can be used to transport 10 or fewer persons, including the driver, on regular routes for any and all school-sponsored activities, including curriculum-related tri Examples of First Division vehicles include cars, station wagons, mini-vans (10 passengers or less which includes the driver), taxi cabs, medical carrier or medi-car, and Suburbans. 1 manufacturer sticker (Federal Certification Label) located on the inside of the driver’s side door will stipulate MPV for Multi-Passenger Vehicle, MPPV (MultiPurpose Passenger Vehicle) Passenger Car [49 CFR 571.3]

 Transportation Programs:
<https://www.isbe.net/Pages/Funding-and-Disbursements-Transportation-Programs.aspx>

REQUIREMENTS

A. The following factors should be considered when developing the transportation procedures for a student in foster care:

1. Safety
2. Duration of the need for services
3. The time/length of travel time for the student each day
4. Time of placement change
5. Type of transportation available (yellow school bus, taxi cab, First Division vehicle, etc.)
6. Traffic patterns
7. Flexibility in school schedule
8. Impact of extracurricular activities on transportation options.
9. Maturity and behavioral capacity of student

B. The following low-cost/no-cost options should be considered when developing the transportation procedures:

1. Pre-existing transportation route
2. New transportation route
3. Route-to-Route hand-offs
4. District-to-district boundary hand-offs
5. Eligibility of the student for transportation through other services such as, but not limited to, Individuals with Disabilities Education Act (IDEA)
6. Alternatives not directly provided by the district/school such as:
 - a. Contracted services - taxis, student transport companies, etc. - see note below
 - b. Public transportation such as city buses, rails, etc.
 - c. Carpools- see note below
 - d. School/District staff- see note below
 - e. Options presented by DCFS outside of those provided by the district/school, such as reimbursing the foster parents for transportation costs, or including transport in contact with licensed child placing agencies or group homes

NOTE: A school bus driver permit is REQUIRED for these options! IMPORTANT: All drivers transporting students (other than parent or legal guardians transporting their own students) in First Division vehicles MUST possess a valid school bus driver permit per Section 6-104(d) of the Vehicle Code. THIS INCLUDES TAXI CAB DRIVERS.

REMINDER: A multifunction school activity bus (MFSAB) can NEVER be used to transport home-to-school or school-to-home [625 ILCS 5/1-148.3a-5]

C. The following funding options should be considered when developing the transportation procedures for a student in foster care:

1. Title IV-E of the Social Security Act if the student is eligible
2. Title I of the ESEA of 1965 as Amended by ESSA (except that funds reserved for comparable services for homeless children and youth may NOT be used for transportation)
3. IDEA funds, if the student has an Individual Educational Program (IEP) that includes provisions for specialized transportation
4. State special education transportation funds, if the student has an IEP
5. Local funds

Best Interest Determination as it relates to School Stability

*****NOTE: This page is not required for the Department of Juvenile Justice*****

NOTE: FIELDS BELOW MAY BE PREPOPULATED WITH DATA. REVIEW ANY PREPOPULATED DATA, COPY AND REVISE AS NEEDED IN THE BOX ABOVE IT, AND SAVE THE PAGE.

1. Describe the process for determining the best interest of the affected child for placement if the child is placed into foster care or changes residences while in foster care positions of all district personnel involved.*

Be sure to include the factors that should be considered in determining whether remaining in a child's school of origin is in his or her best interest, as it relates to enrollment. For your convenience, the prior year approved response is provided below. It may be copied and modified to address the Foster Care Transportation Plan needs.

DO NOT use special characters, numbered or bulleted lists copied from Word, 'see above', or n/a as this may delay the submission or approval of your plan.

The child childwelfare agency notifies the child's current school that a child will be moving into a new resident, and the necessary time frame for determining the child's most appropriate placement. Pana CUSD #8 will work with SEA and local child welfare agencies to determine the placement that is in the best interest of the child. The building principals and Superintendent will be working with the child welfare agency. The district will provide information on several factors. Many factors that will be considered. Preference of the child, or the preference of the decision makers. The child's attachment to the school, including meaningful relationships with staff and students. The placement of a child's siblings will also be a factor. The availability to meet the child's educational and socioemotional needs. Any history of past transfers and how those transfers have impacted the student. Where the child is a student with a disability they have a 504 plan, and the availability of those services will also be factored in.

Meetings will be held to determine the best placement for the child. Those involved in the meetings will be Superintendent, Building Administrators, Special Education Director, and other education decision makers, child welfare agencies, and teachers. The school district, parents, and the child welfare agencies will work together to come to a decision. Once a decision is made, the child welfare will communicate with all parties involved the decision.

Transportation costs will not be considered when making the determination of a child's best interest.

Response from the approved prior year Consolidated District Plan.
