

**School Board Meeting:**

**August 24, 2009**

**Subject:**

Elementary Student Handbooks

**Presenter:**

**Anita Underberg**

---

**SUGGESTED SCHOOL BOARD ACTION:**

Review

**DESCRIPTION:**

One change is proposed in the elementary handbooks other than updating dates, calendars, schedules, etc.

Under the section Parent Involvement/Volunteers/Chaperone Responsibilities, add to the first bullet that begins Chaperones must ride the bus.....

**Only designated chaperones who accompany the class to and from school will be allowed with the group on the field trip.**

This is to emphasize the importance of riding to and from the field trip with the students and to discontinue chaperones saying they will drive themselves and meet the group at the field trip destination.
