3. Enrollment at Kiita Learning Community, Quarter 1, Fall FY23/24

- Day students – total 46 (33 Seniors & 13 Juniors)
- Night School – total 17

3 Needs:

1. All back windows are broken and covered with plywood. Need to be replaced with fiber glass.
2. Vape detectors will be bought by NSBSD and installed in every bathroom.
3. Funding needed for Cultural activities such as skin sewing, atikluk sewing, beading, furs, skins, and etc. AEF no longer has funding to help with these supplies. Spending school classroom materials funding for these materials (\$17,900 budget for Kiita Learning Community).
