He enjoyed his many
years on the board and
working with so many
people throughout
those years.

John - I can not say enough about
you, the District is so lucky to
have such a great leader!

John, Board of Ed
and Staff of
WD District #7 -

Thank you all for the
basket full of Beautiful
flowers. I really appreciate
the kindness from all of
you in my very trying and
sad days. Carl was a great
man and a terrific husband.
I will miss him everyday!
