From special education services to mental health counseling, we bring customized solutions to your district

We offer a full range of remote services (from observations and assessments to counseling and therapy) that help meet your district's speech-language, occupational, psychoeducational and mental health service needs.

Our clinical network brings a complete scope of practice to support schools with services that include:

- Student screening, observation, identification, and evaluation
- Development and management of Response to Intervention (RTI) programs
- Case management and contribution to writing and updating of IEPs and 504 plans
- Full evaluations or re-evaluations utilizing standardized assessment tools
- Leading, attending, and/or contributing to meetings
- Individual or group therapy services
- Virtual classroom push-in services
- Completing paperwork for IEPs, review of records and Medicaid billing

Solutions customized to meet student needs— backed by school-based experience and innovative technology

Services that help fill assessment and therapy gaps

- Evaluations are delivered remotely using the largest library of digital assessments from trusted publishers like Pearson®, Riverside Insights®, and Pro-Ed®*
- Customized teletherapy plans are based on your district's diverse student and staffing needs

Clinically-led teams, trusted by 10,000+ schools

- Our national network of 2,000+ licensed speech-language pathologists, occupational therapists, school psychologists, and mental health clinicians brings services that support unique needs—including bilingual, deaf, and hard-of-hearing specializations
- Every district and clinician is backed by a dedicated clinical support team with years of experience implementing teletherapy solutions and navigating PreK-12 school systems

Innovative technology, built specifically for students

- An award-winning, interactive teletherapy platform with access to engaging content from Hasbro®, Highlights®, and more*
- Track student attendance to therapy sessions, documentation and progress to ensure compliance with IDEA
- HIPAA and FERPA compliant teletherapy platform technology
