

Fort Smith School District

Noise Grant Update

1. Orr and Carnall approved to be renovated by OLDCC
2. Soft Cost Additional Funding- working with OLDCC for potential upgrade to current grant dollars or future grant dollars as construction starts
3. National Environmental Protection Act (NEPA)– All documentation has been approved by OLDCC and Ebbing Field
4. Notice to Proceed– Funds now available for renovation to start. Working with School District engineers to create construction plan and milestones
5. Enduring Process– Construction of both facilities will take time, committed to the success of creating better noise environment
