

Safety and Security

Denton ISD

School Board Presentation

November 10, 2015

Bill Knight

Environmental Safety Manager

The Emergency Management Cycle

MITIGATION/PREVENTION

- Emergency Operation Plans (EOP)
 - District level
 - Campus specific
- Hazard Assessments
 - District level
 - Campus specific
- Building Emergency Response Team (BERT) at each building
- Drills and Exercises
- Security Audits

Security Audits

- Senate Bill 11 – 79th Legislative Session
- Effective September 1, 2005
- “At least once every three years, a school district shall conduct a security audit of the district’s facilities. To the extent possible, a district shall follow security audit procedures developed by the Texas School Safety Center or a comparable public or private entity.”
- DISD finished 1st cycle in 2008; 2nd cycle in 2011, 3rd cycle in May, 2015, and completed first year of 4th cycle
- Fifty one (51) buildings

District Response to Security Audits Findings

- Card access systems at all campuses
- Increased camera coverage
- Increase secured entrances to early childhood, elementary, middle school and high school campuses
- Increased emphasis on lockdown drills; standardizing procedure district-wide

Response to Security Audit Findings

- Improved campus EOP's
- Increased interaction with local law enforcement
- Improved campus visitor procedures
- Numbered all exterior doors inside and outside

PREPAREDNESS

Required Drills -

- Communication Drill
- Lockdown Drill – threat inside building
- Lockdown Drill – threat outside building
- Lockdown Drill – threat inside building (performed at lunch period or passing period)
- Building Evacuation

Required Drills

- Bomb Threat Drill

- Reverse Evacuation Drill

2014-2015 Drills District-wide

- Communication Drill (38)
- Lockdown Drill – threat inside building (108)
- Lockdown Drill – threat outside building
- Lockdown Drill – threat inside building (performed at lunch period or passing period)
- Building Evacuation (335)

2014-2015 Drills District-wide

- Bomb Threat Drill (36)
- Shelter in Place Drill (37)
- Weather Safety Drill (37)
- Reverse Evacuation Drill (35)

Training

- Law enforcement agencies have used our buildings to practice active shooter training
- Tabletop exercises with the Denton Police Department and Denton County Sheriff's Department
- All DISD administrators have completed ICS 100 for Schools
- Participation in Denton Emergency Preparedness Advisory Council (DEPAC)
- Participation in the DEPAC yearly Mock Disaster Drill (2013 drill at C. H. Collins Stadium)
- Watch D.O.G.S. – Dads of Great Students

RESPONSE

- Follow the EOP to minimize casualties or property damage
- Many members of the Denton ISD Audit Team are Operations personnel
- Remarks by team members outside Operations how quickly physical problems in the audit are corrected
- Training prepares for a quick decisive response

RECOVERY

- Short-term recovery efforts seek to restore vital services to DISD facilities and provide for the basic need of staff and students
- Long-term recovery focuses on the restoring the district to its normal state
- Examples of recovery programs include temporary relocation of classes, restoration of school services, debris removal, disaster mental health services and reconstruction of damaged facilities
