SCHOOL SCHEDULE UPDATE: SURVEY DATA

Spring '23

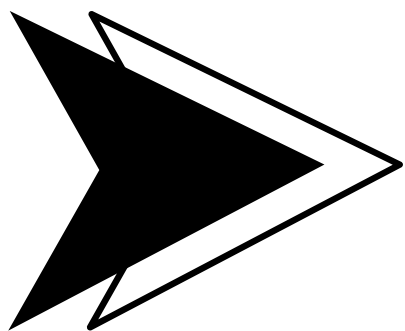

Where we left off... *in Fall '22*

**SEEKING WAYS TO OBTAIN
FEEDBACK/DATA FROM STUDENTS
AND STAFF ABOUT INSTRUCTIONAL
EXPERIENCES**

In collaboration with Dr. Julie Morris, we created a survey for students and teachers that represented each of our goals

1. Enhanced Student Engagement
2. Cooperative Learning
3. Deeper Discussions
4. Hands-On and Project Based Activities
5. Teacher Student Individualization

We asked teachers and students to respond to questions using these scales

Student Responses

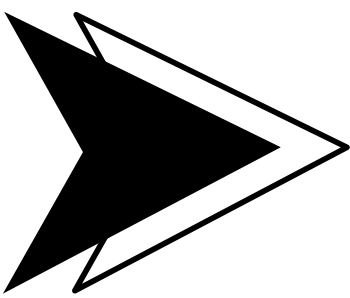

- In all of my classes
- In most of my classes
- In some of my classes
- In none of my classes

623 responses

Teacher responses

- Strongly Agree
- Agree
- Disagree
- Strongly Disagree

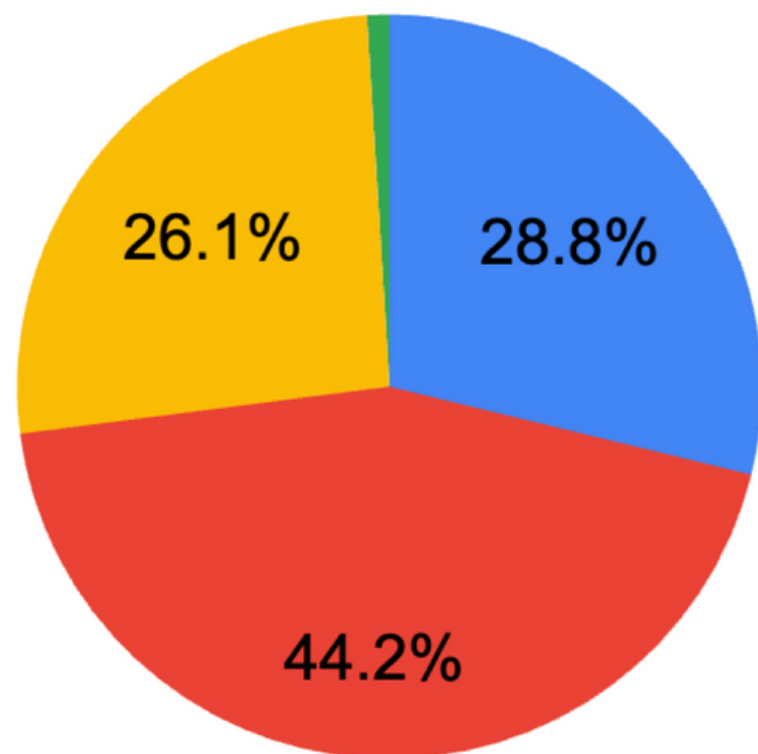

45 responses

Goal: Cooperative Learning

Students

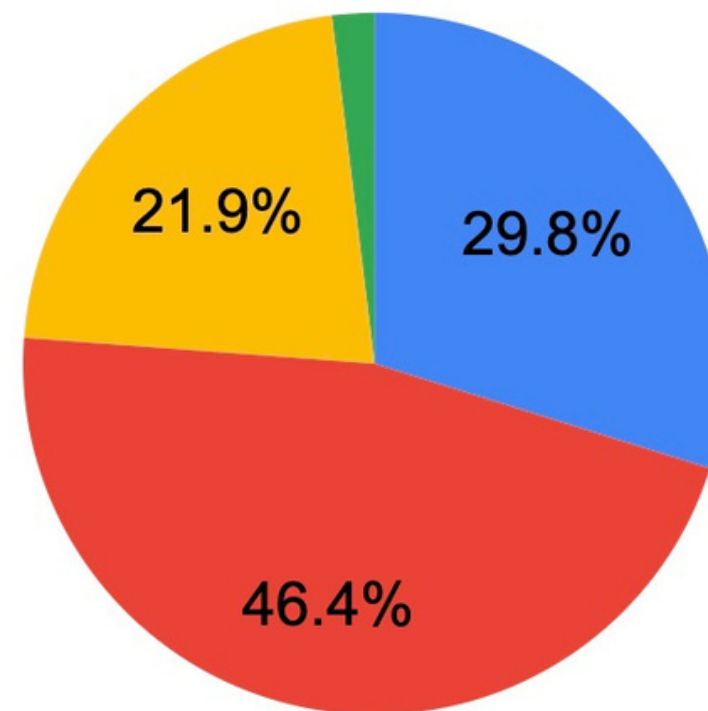

Some activities include working with a partner and/or small groups.

- In all of my classes
- In most of my classes
- In some of my classes
- In none of my classes

S3

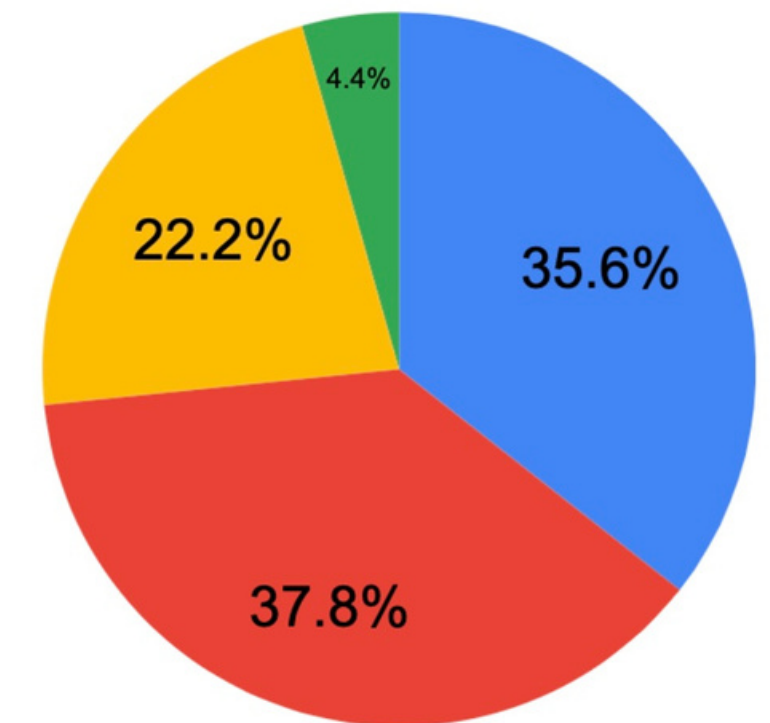

My teacher provides a chance for me to work with a partner or a small group.

- In all of my classes
