LBMS Classified Staff

Each March, Three Rivers Schools celebrate the hard working classified staff at each school. We here at LBMS believe we have the most dedicated, hard working, and caring classified staffs anywhere.

The kids really appreciate the staff members, and the staff loves working with the students and being part of their lives.

So this month's spotlight is on our LBMS classified crew...there is no finer group in the district.

YOU GUYS ROCK!!

Greetings, Lorna Byrne Families,

Well it looks as if Spring is right around the corner! Along with the warmer weather will be a number of fun activities between now and the end of the school year.

Our first big event will be next month, April 29th, when all eligible students will make a trek to Southgate Cinemas in GP to take in the latest Avengers movie, Endgame. We are very excited to be able to offer this field trip for the kids. There are certain expectations the students will have to meet to attend this event. They are:

- No major referrals, and NO SUSPENSIONS
- Only two doctor excused absences
- No Failing (F) or Incomplete (I) grades

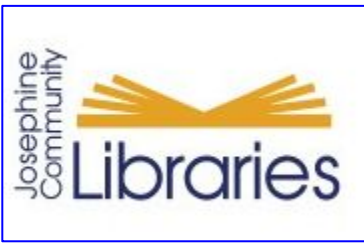

I'm informing our Lorna Byrne families about this event and the requirements, so that the students and their families can hopefully make a concerted effort to help their student(s) meet these expectations. The staff and I have made it a point this year to emphasize rewards for good behavior and effort, and we have good reason to believe it is working. We have more student involvement in activities, more suggestions from them about the rewards they'd like to see, positive feedback when rewards are offered, etc. If you'd like more information on our PBIS program or if you have questions regarding the expectations for this movie event, please don't hesitate to call the office for more information. Enjoy your Spring Break!!

Have you seen our new look?

You may have noticed that LBMS has a new look website! We just went live with it about a month or so ago, and the designers at the district level did an awesome job. That being said, the old web pages no longer work, so if you have bookmarked any of them on your device, you'll have to go bookmark the new ones. Please let us know if something is missing, or if you can't find a specific page, we'd be glad to help to locate it!!

Saint Patrick's Day, or the **Feast of Saint Patrick** (Irish: *Lá Fhéile Pádraig*, "the Day of the Festival of Patrick"), is a cultural and religious celebration held on 17 March, the traditional death date of Saint Patrick (c. AD 385–461), the foremost patron saint of Ireland.

Saint Patrick's Day was made an official Christian feast day in the early 17th century and is observed by the Catholic Church, the Anglican Communion (especially the Church of Ireland), the Eastern Orthodox Church, and the Lutheran Church. The day commemorates Saint Patrick and the arrival of Christianity in Ireland, and celebrates the heritage and culture of the Irish in general. Celebrations generally involve public parades and festivals, cèilidhs, and the wearing of green attire or shamrocks.

InTouch

InTouch is used to send out important messages about school closures and school events. When you get an automated call from LBMS using this program, it is important to say "Hello" as this triggers the message to start. If you have voicemail, it will leave a message. Please listen to the message in its entirety, then call the school for any unanswered questions. If you have an email on file with LBMS, we often send emails as well. InTouch is also used for attendance calls. If your student has been marked absent in any class, the system will call you to make you aware of this absence. Please listen to the message in its entirety before calling the school.
