We are proud to recognize the following members of the Class of 2025 who have successfully met the State of Illinois' requirements to earn the **College & Career Pathway Endorsement (CCPE)**. This distinction reflects a student's dedication to career-focused learning and postsecondary readiness.

1. **Engage in two career exploration activities**, such as career fairs, job shadows, or guest speaker events.
2. **Complete two team-based challenges** developed in partnership with industry and academic collaborators, where students work together to solve authentic, real-world problems identified by professionals in the field.
3. **Participate in a minimum 60-hour career development experience**, such as an internship, clinical rotation, or similar hands-on opportunity.
4. **Successfully complete at least two years of coursework** aligned to their selected career pathway.
5. **Earn a minimum of six early college credits** related to the pathway, through dual credit, articulated credit, or Advanced Placement (AP) coursework.
6. **Demonstrate English readiness** through non-remedial placement via SAT/ACT scores, placement exam scores, dual credit, AP credit, or transitional course success.
7. **Demonstrate Math readiness** through non-remedial placement.
