Dear Garibaldi Lions Club,

Garibaldi Grade School is in awe of your generosity and kindness with your most recent donation to our Community Resource Room and Weekend Backpack program. These funds will have an immediate impact on increasing the quality of life of students and families in the Garibaldi school district. We appreciate your commitment to local students and your local community. This money will go a long way in fulfilling our mission to ensure that each and every GGS student has their most basic needs met (food and clothing) and that they are treated with the utmost dignity and respect.

With inflation and cost increases everywhere you look, families in our district have been stretched thin. Your donation allows us to have a safety net for these hard working families and their kids, so every student can receive the tools they need to be successful in school. Whether it's a new backpack, a new pair of shoes, or a toothbrush, we will be able to provide these items thanks to your organization.

You really are the best. Thanks for everything!

Sincerely,

Ashley Carr
