Subject: Board Graduation Participation Related Page(s) _____

Action

BACKGROUND INFORMATION:

Questions were asked about who should present diplomas during graduation. Sometime in the past, to avoid confusion, the board agreed that the Board President would do all the presentations unless a board member had a son/daughter graduating.

As we now have several new board members, it was suggested that the Board revisit this topic and come to some kind of understanding where it benefits all board members.

RECOMMENDATION: Discuss and take action.

BOARD ACTION REQUIRED:
